BEE CITY USA ASHLAND
4TH ANNUAL POLLINATOR GARDEN VIRTUAL TOUR

Thank you to the 13 gardeners who have shared their beautiful pollinator gardens with us via video this year.

Each garden is unique, but they are all beautifully providing floral resources and habitat for the pollinators: native bees, honey bees, flies, wasps, butterflies, moths, beetles, and hummingbirds.

Please enjoy these inspiring gardens.

1. Riverwalk Park Pollinator Garden
2. Cory Ross
3. Susan Jessie and Kevin Preister
4. Peggy Mee
5. Lisa Force
6. Joanie and Paul Kintscher
7. The Chanticleer Inn
8. Bloomsbury Blends
9. Abagails' B&B Inn
10. Melody Jones
11. Louise Shawkat
12. Marti Root
13. Kelly Straub
14. Bonus! Noticing Flower and Pollinator Diversity

Thank you,
Kristina, Nancy, Carolyn, Albert, and Joel
