1. Education Background

What schools have you attended? HS, Ivy Tech, IBEW LU 16 Apprenticeship, Sullivan University

What degrees do you hold? Associates Degree in Applied Science,

BSBA - Construction Management

What additional training or education have you had that would apply to this position?
Completion of 5 year apprenticeship as a Journeyman Wireman - Held (2) Master Electrical Licenses.

I was Chairman of IBEW LU 193 JATC program responsible for traing 100 apprentices annually.

2. Related Experience

What prior work experience have you had that would help you if you were appointed to this position?

Worked 13 in the construction industry from day 1 industrial electrician to COO of Anderson Electric,

Springfield IL. Largest electrical contractor in IL outside of Chicago. Design-Build, negotiated

Federal/State Contracts, over saw company field operations for 400 employees and \$40M annually.

Do you feel it would be advantageous for you to have further training in this field, such as attending conferences or seminars? Why? Yes. We are always learning and adapting.

3. Interests

Why are you applying for this position?

I love my town and would like to see

it continue to be desired place to live as it grows sustainably

and adapts to the ever changing needs of this generation and future generations.

4. Availability

Are you available to attend special meetings, in addition to the regularly scheduled meetings? Do you prefer day or evening meetings? Yes I would be available.

I would prefer day meetings.

5. Additional Information

How long have you lived in this community?

11 years

Please use the space below to summarize any additional qualifications you have for this position

As a business owner, commercial real estate owner, father of 2 kids attending ASD public schools, business broker, commercial real estate broker, volunteer on local NP board of directors (MARA), independent contractor for Ashland Parks and Rec for RE transactions, avid trail runner, skier and supporter/protector of our natural lands;

I think I would be a great asset to this committee.

My background in construction has been one full of success and learning.

I have lead projects such as; replacement hospitals, cancer centers, new power plants, renewable energy projects with solar and wind farms, performance contracting to reduce energy waste, ect.
