SUMMARY

Ordinance No. 3171 adds a new chapter to the Ashland Municipal Code (AMC): Chapter 10.48 related to overnight sleeping in vehicles. AMC Chapter 10.48 would allow overnight sleeping in a maximum of three vehicles on properties that are owned or leased by a Religious Institution or Place of Worship.

POLICIES, PLANS, AND GOALS SUPPORTED

Seek opportunities to enable all citizens to meet basic needs.
Support innovative programs that protect the community.

PREVIOUS COUNCIL ACTION

During a Study Session on November 19, 2018, the City Council directed Staff to bring forward an Ordinance that allowed overnight sleeping in vehicles at religious institutions or places of worship.

BACKGROUND AND ADDITIONAL INFORMATION

On [April 27, 2017](#), members of the Rogue Valley Unitarian Universalist Fellowship's (RVUUF) Social Justice and Action Committee presented information about a proposed Overnight Parking Program for homeless individuals to the Housing and Human Services Commission. The church allocated three parking spots behind one of the buildings at 87 4th Street and provided a porta-potty and a garbage bin for the campers. At the time of the presentation (and currently), the RVUUF committee members were uncertain about the path to legitimize the program. The Committee members expressed that their goal, if the program proved successful, was for other religious institutions in our community to participate. The Committee members presented this proposal to the City's Housing and Human Services (HHS) Commission to gain the Commission's support and work toward Council approval of a process for permitting this activity.

The HHS Commission discussed the proposal at the regular meeting held on [May 25, 2017](#). The Commissioners expressed an interest in moving this forward, but had many questions. The Commissioners invited Mr. Limb, a representative from the RVUUF Social Justice and Action Committee, to the [June 28, 2018](#) meeting to provide the HHS Commission with an update on the program. The HHS Commission requested that Mr. Limb report back to them at future meetings with updates as the program matured and was refined. Mr. Limb was encouraged to develop and maintain: 1) an evaluation process and to record any issues that arose; 2) feedback from the neighbors; and 3) a methodology for the vetting process.

On [July 26, 2018](#), Mr. Limb presented an update to the HHS Commission on experiences and outcomes from the first year of operation. Limb reported that overall the experience had been good, there had been no litter or garbage left and no complaints from neighbors. It was the consensus of the HHS Commission

to support the overnight parking program and to request that the Council discuss car camping at a future study session.

The City Council held a Study Session on [November 19, 2018](#) to discuss the matter and the Council directed Staff to develop an Ordinance to allow overnight sleeping in a vehicle at religious institutions or places of worship. The attached Ordinance is modeled after the Eugene Ordinance and defines “person in charge”, “religious institution or place of worship” and “vehicle”. The Ordinance limits the number of vehicles at any religious institution or place of worship to three and requires the provision of sanitary facilities. The Ordinance prohibits personal items to be visible from any public street and the requirement of any monetary charges for overnight sleeping. The Ordinance also gives the City Administrator or her/his designee the ability to prohibit this activity if she/he finds that such activity constitutes a nuisance or other threat to public health, safety, or welfare.

FISCAL IMPACTS

As this program has been operated by the RVUUF for over a year and has required no need for City resources, it is presumed that there will likely be minimal impact to City resources in the future. However, if this presumption is false, Staff will bring back those findings to the Council for further potential action.

ACTIONS, OPTIONS, AND POTENTIAL MOTIONS

1. Approve First Reading of Ordinance No. 3171 and advance it to Second Reading for enactment.
2. Decline to approve First Reading of Ordinance No. 3171.

STAFF RECOMMENDATION

Staff recommends approval of Ordinance No. 3171.
