SUMMARY

The City Council is being asked to review proposed Ordinance No. 3182 which would repeal and replace Ashland Municipal Code (AMC) Chapter 9.21, Prohibition on Distribution of Single Use Plastic Bags. The ordinance is necessary to bring the Ashland Municipal Code into compliance with a new state law which became effective on January 1, 2020.

POLICIES, PLANS, AND GOALS SUPPORTED

1. Provide, promote, and enhance the security/safety, environmental health, and livability of the community (Quality of Life Administrative Goal)

PREVIOUS COUNCIL ACTION

In 2014, the City of Ashland adopted Ordinance No. 3094 banning the use single use plastic bags. Ordinance No. 3094 also mandated that retail establishments charge customers a reasonable pass-through cost of not less than ten cents per recyclable paper bag provided.

BACKGROUND AND ADDITIONAL INFORMATION

During its 2019 session, the Oregon State Legislature passed House Bill 2509 (“Bill”) addressing the provision of checkout bags by restaurants and retail establishments to customers. The Bill mandates that cities and other local governments adopt definitions, requirements, and restrictions that are identical to those established in the Bill. However, a city or other local government may adopt, amend, or enforce a local provision requiring a restaurant or retail establishment to charge a fee of more than five cents per bag. Proposed Ordinance No. 3182 would replace AMC Chapter 9.21 with the definitions, requirements, and restrictions set forth in the Bill while maintaining the ten cents per bag charge as currently set forth in AMC Chapter 9.21.

FISCAL IMPACTS

The fiscal impact to the City would be minimal.

ACTIONS, OPTIONS, AND POTENTIAL MOTIONS

1. I move to approve First Reading of Ordinance No. 3182 and send it to Second Reading for enactment.
2. I move to decline approval of Ordinance No. 3182.

STAFF RECOMMENDATION

Staff recommends that Council approve First Reading of Ordinance No. 3182 and send it to Second Reading for enactment.
