From:	Mark Welch	Administrative Services Director
	Mark.Welch@ashland.or.us	

Discussion Questions:

Financial reports are supplied to Council on a quarterly basis to provide assurance of budget compliance and for informational and comparative purposes throughout the year. The City Council developed a procedure to have the financial reports presented and reviewed by the members of the Budget Committee before Council approval.

Resource Requirements:

N/A

Suggested Next Steps:

Review of the 2nd Quarter Financial Report to the City Council.

Policies, Plans and Goals Supported:

Provide high quality and effective delivery of the full spectrum of city service and governance in a transparent, accessible and fiscally responsible manner.

Background and Additional Information:

The attached financial statements cover six months of activity for the period July 1, 2017 through December 31, 2017, and equate to 25% of the biennial budget.

Financial statements provide a mechanism to review the City's financial transactions on a quarterly basis. The Financial Report includes all funds and departments.

Total citywide revenue collections for this period are 21% of budget appropriations. Total citywide expenses are 17.5% of budget appropriations, below the projections for the biennium. Overall, the financial position is stable for the period as reflected in these reports.

Note: Pages 3–5 provide a useful “at a glance” expenditure compliance report, with pages 6–24 showing both revenue and expenditures by Fund.

Discussion

To provide members of the Budget Committee with the most relevant information as possible, the 2nd Quarter Financial Report review will focus on several funds. The focus area for the 2nd

Quarter is on the General Fund.

Taxes have continued to match or exceed the budget projections. Tax revenue for the City overall increased \$1 million, or 6.2% from the same period in BN 2015/17. When reviewing year over year data, taxes have grown \$644,128, or 4.8% from last year. Property Taxes have grown \$489,070, or 5.3%. The increased tax collections include the recent increase in the City's property tax rate. Removing the property taxes collected attributable to the rate increase, tax collections have grown 4.1%, or \$379,070 and are \$57,015 above the budgeted amount.

The General Fund expenditures are just below budget projection at 24.1%. All departments are within budget for the 2nd Quarter. There are currently three funds with higher than 25% expended. Those are the Debt Service, Insurance Fund and Health Benefit Fund. The Debt Service and Insurance Funds are due to timing of payments. The Health Benefit Fund is due to increased claim experience.

The City is currently in the process of evaluating the Health Insurance Fund. Evaluation of potential long-term solutions is currently ongoing and a discussion is tentatively scheduled for the end of April. The City's consultant is working closely with City staff on a comprehensive analysis to ensure a stable foundation for the plan.

In summary, the 2nd Quarter Financial Report continues to ensure all funds are within budget compliance.

The Quarterly Financial Report is a useful tool to ensure ongoing budget compliance. The report provides a high level overview of current revenue and expenditures.

The Finance Department also maintains a website that provides real time financial records, by account. The website, AshlandOR.opengov.com, allows for an in depth analysis of all financial accounts real time. The website links to the City's finance software and allows for the manipulation of all records in any manner of interest.

The Finance Department plans to provide a brief overview on operating the website during this agenda item presentation.
