Background and Additional Information:

There are approximately 145 applications that will need to be renewed by September 30, 2017.

Staff has reviewed the submitted list by OLCC for liquor licenses that are eligible for renewal. All businesses that have a current business license, are current on city food and beverage tax (or have payment arrangements), and have no renewal fees owed will be approved.

The Police Chief has reviewed the list of businesses and his memo is attached for your consideration on the renewal of these liquor licenses.

RENEWAL NOTIFICATION PROCESS

It's time again for liquor license renewals in your area. Liquor licenses are due to expire **9/30/2017**. Attached is the list of licensees who are required to submit their renewal application to local government for comment. According to our records you charge:

\$35.00 Renewal Fee for ON-PREMISES \$35.00 Renewal Fee for OFF-PREMISES

We told applicants to mail your local government fees to the address on this letter.
PLEASE NOTIFY US IMMEDIATELY IF THE FEE(S) OR ADDRESS ARE INCORRECT

HOW TO MAKE A RECOMMENDATION

You have until 8/31/2017 to make your recommendation. Below are your options for renewals:

RECOMMEND APPROVAL

1. **DO NOTHING.** If you do not submit a recommendation by **8/31/2017**, the OLCC will process the renewal application as a favorable recommendation.

RECOMMEND DENIAL (see additional information on page 2)

1. File an unfavorable recommendation, stating the grounds for the unfavorable (must meet the denial criteria on back of form); **OR**
2. Make a written request for additional time to complete an investigation. The request must state: 1) you are considering making an unfavorable recommendation; 2) the specific grounds being considered. **The grounds must be one referenced in Oregon Administrative Rule 845-005-0308(3).** If your request is granted you will be given a 45-day extension to file your unfavorable recommendation. Unfavorable means recommending denial of a license or requesting restrictions be placed on a license.

If you need assistance or would like to discuss a specific application, please contact your local OLCC office for help. Please send renewal recommendation correspondence to OLCC.Renewals@oregon.gov or OLCC License Renewals, P.O. Box 22297, Portland, OR 97269-2297. If you have questions, contact our license renewal section at 503.872.5138 or toll free at 1.800.452.6522 ext 5138.

REASONS WE MAY DENY OR RESTRICT A LICENSE
ORS 471.313(4)(5), OAR 845-005-0320, 845-005-0321, 845-005-0322
845-005-0325, 845-005-0326(4)(5) or 845-005-0355

The following is a list of problems relating to the **APPLICANT** or **BUSINESS** that OLCC can consider to refuse or restrict a license:

1. Applicant has a habit of using alcohol or drugs to excess
2. Applicant makes a false statement to OLCC (must be related to a refusal basis)
3. Applicant has been convicted of local, state or federal laws that are substantially related to the fitness of holding a liquor license
4. Applicant has demonstrated poor moral character
5. Applicant has a poor record of compliance when previously licensed by OLCC
6. Applicant is not the legitimate owner of the business
7. The business has a history of serious and persistent problems at this location. The problems can include:

obtrusive or excessive noise, music or sound vibrations
public drunkenness
fights or altercations
harassment
unlawful drug sales
alcohol or related litter

OLCC is not able to consider the following issues when deciding to renew a liquor license:

lack of parking
increase in traffic
too many licenses in a specific area (saturation)
entertainment type - nude dancing, gambling, live bands, etc.
increased noise
zoning issues

Visit www.oregon.gov/olcc/ to see the full text of ORS and OAR referenced above. In order for an unfavorable recommendation from a local government to be valid, the grounds must be found in the license refusal bases of ORS 471.313(4), 471.313(5), OAR 845-005-0320, 845-005-0321, 845-005-0322, 845-005-0325 or 845-005-0326(4)(5) or the license restriction bases of OAR 845-005-0355, and must be supported by reliable factual information.

Memo

TO: Melissa Huhtala, City Recorder
FROM: Tighe O'Meara, Police Chief
SUBJECT: Liquor License Renewals
DATE: July 25, 2017

Pursuant to your request for information concerning liquor license renewals I have prepared the following information. In the past there have been three locations that have come up as points of concern during this discussion: O'Ryan's Irish Pub, the Vinyl Club and the Granite Tap House. The police department does not have a negative endorsement for any licensed establishment in the city. In the interest of following up previous discussions I will provide data for the last year on each of these three venues.

O'Ryan's Irish Pub (I Pub)

The ownership of the I Pub changed recently, with Mike Szelong taking control. Upon transfer of the liquor license Mr. Szelong made himself available to discuss ongoing concerns at the I Pub and what he intends to do to address them. Mr. Szelong seems to recognize that this is a problem and has some long-term plans for mitigating the noise that emanates from the back door/porch of the I Pub. It appears as though Mr. Szelong is very cooperative and wanting to work with the APD to address the neighbors' concerns.

Over the last year the I Pub generated 25 cases, as opposed to 27 the year before and 20 the previous year. There were 21 calls of disorderly conduct (18 the year before) and one report of an assault (4 the year before).

Vinyl Club

The Vinyl Club continues to be a point of concern for neighbors on Will Dodge Way, however, the owner, Mike Leslie, appears to be attempting to mitigate the problems as much as possible. Mr. Leslie met with APD staff and has been trying to cooperate with attempts to keep the noise down and deal with issues of littering, urinating in public, public drunkenness and other problems that come with operating a night club.

In the past year there have been six complaints of unreasonable noise coming from the Vinyl Club. In the previous year there were 15 and in the year before that 26. I recognize that the drop in calls may be

due to the neighbors not calling anymore due to being desensitized, or believing that the problem will not be addressed. However, as I have said before, we need to hear about the complaints so they can be logged as this is a primary measurement for whether or not a problem exists. Based purely on these numbers the noise problem is lessening.

There were 17 cases pulled from the Vinyl Club in the last year, compared to 12 the year before and 14 the previous year. The cases pulled included four reports of assaults, one of which constituted a hate crime as a female patron was assaulted for being Native American. That case remains unsolved.

Granite Tap House

For the last few years we have been monitoring the Granite Tap House because of some very specific issues that came up involving emergency access. These issues have been addressed and I believe that there is no reason to continue to pay special attention to the Granite Tap House unless something else develops.

Over the last year seven cases were generated at the Granite Tap House, compared to 14 the year before and 15 the previous year.
