2. Related Experience

Listening objectively and communicating well are invaluable skills that contribute to my success as a news reporter and editor. These skills have been crucial to my freelance work; as a School Board Chair, active community member and life.

Do you feel it would be advantageous for you to have further training in this field, such as attending conferences or seminars? Why? Yes. Any knowledge gained

will always be an advantage to myself and others on the Commission.

3. Interests

Why are you applying for this position?

Was saddened by apparent lack of

interest in historic buildings as hometown grew. Ashland is the opposite. As a

Commission member, would have a mindful role in melding history with growth.

4. Availability

Are you available to attend special meetings, in addition to the regularly scheduled

meetings? Do you prefer day or evening meetings? Available for majority of

special meetings and for all regularly scheduled. Prefer evenings.

5. Additional Information

How long have you lived in this community?

Four plus years.

Please use the space below to summarize any additional qualifications you have for this position

Have had experience making decisions as a group. No problem accepting

majority's decision if differs from mine. Am willing and able to listen to all views

and opinions. Will have all possible information, including ordinances and

recommendations from city employees and commissions before making

any decisions. Believe the only stupid question is the one that isn't asked!

Am interested in all things historic; cemeteries, relics and stories.

Would like to be an active Commission member outside of meetings, including

National Historic Preservation Week.
