

18.2.2.030 Allowed Uses

- A. Uses Allowed in Base Zones.** Allowed uses include those that are permitted, permitted subject to special use standards, and allowed subject to approval of a conditional use permit. Where Table 18.2.2.030 does not list a specific use and chapter 18.6 does not define the use or include it as an example of an allowed use, the City may find that use is allowed, or is not allowed, following the procedures of section 18.1.5.040. Uses not listed in Table 18.2.2.030 and not found to be similar to an allowed use are prohibited. For uses allowed in special districts CM, HC, NM, and SOU, and for regulations applying to the City's overlays zones, refer to part 18.3.
- B. Permitted Uses and Uses Permitted Subject to Special Use Standards.** Uses listed as "Permitted (P)" are allowed. Uses listed as "Permitted Subject to Special Use Standards (S)" are allowed, provided they conform to chapter 18.2.3 Special Use Standards. All uses are subject to the development standards of zone in which they are located, any applicable overlay zone(s), and the review procedures of part 18.5. See section 18.5.1.020.
- C. Conditional Uses.** Uses listed as "Conditional Use Permit Required (CU)" are allowed subject to the requirements of chapter 18.5.4.
- D. Prohibited Uses.** Uses not listed in Table 18.2.2.030 and not found to be similar to an allowed use following the procedures of section 18.1.5.040 are prohibited. Prohibited uses are subject to the violations, complaints, and penalties sections in 18-1.6.080, 18-1.6.090, and 18-1.6.100.
- E. Uses Regulated by Overlay Zones.** Notwithstanding the provisions of chapter 18.2.2, additional land use standards or use restrictions apply within overlay zones. An overlay zone may also provide for exceptions to some standards of the underlying zone. For regulations applying to the City's overlays zones, please refer to part 18.3.
- F. Accessory Uses.** Uses identified as "Permitted (P)" are permitted as primary uses and as accessory uses. For information on other uses that are customarily allowed as accessory, please refer to the description of the land use categories in part 18.6 Definitions.
- G. Mixed-Use.** Uses allowed in a zone individually are also allowed in combination with one another, in the same structure or on the same site, provided all applicable development standards and building code requirements are met.
- H. Temporary Uses.** Temporary uses require a Conditional Use Permit under chapter 18.5.4; except as follows:
1. **Short-Term Events.** The Staff Advisor may approve through Ministerial review short-term temporary uses occurring once in a calendar year and lasting not more than 72 hours including set up and take down. Activities such as races, parades, and festivals that occur on public property (e.g., street right-of-way, parks, sidewalks, or other public grounds) require a Special Event Permit pursuant to AMC 13.03.
 2. **Garage Sales.** Garage sales shall have a duration of not more than two days and shall not occur more than twice within any 365-day period. Such activity shall not be accompanied by any off-premises advertisement. For the purpose of this ordinance, garage sales meeting the requirements of this subsection shall not be considered a commercial activity.

3. Temporary Buildings. Temporary occupancy of a manufactured housing unit or similar structure may be permitted for a period not to exceed 90 calendar days upon the granting of a permit by the Building Official. Such occupancy may only be allowed in conjunction with construction on the site. Said permit shall not be renewable within a six-month period beginning at the first date of issuance, except with approval of the Staff Advisor.

I. **Disclaimer.** Property owners are responsible for verifying whether a proposed use or development meets the applicable standards of this ordinance.
