## **SUMMARY**

Councilor Graham has asked that, what will inevitably, be more than two hours of City staff resources be used to develop policy on 5G telecommunications. Per Section 2.04.030(B)(2) requires that, “a Councilor who wants to add to the Council’s agenda an item requiring more than two hours of preparation by staff, including policy research and document drafting, should first propose the addition at a Regular Meeting under Other Business from Council members or at a Study Session.”

## **POLICIES, PLANS & GOALS SUPPORTED**

N/A

## **PREVIOUS COUNCIL ACTION**

None

## **BACKGROUND AND ADDITIONAL INFORMATION**

The City Council heard a presentation by representatives from Oregon for Safer Technology on [May 20, 2019](#). Before that time and since, various members of the public have testified before the City Council regarding their concern about 5G technology.

## **FISCAL IMPACTS**

The majority of the cost of this project will come from staff time, with the emphasis being with the City Attorney. However, there may be a need to hire a consultant specializing in this topic.
