

Sparkling Action!

Community Wildfire Education Day

Presented by the Southern Oregon Forest Restoration Collaborative

SATURDAY, MAY 18TH

10:00AM-4:00PM at

1500 E Main St, Ashland, OR

ScienceWorks

HANDS-ON MUSEUM

+ FREE admission!

You're invited to
a day full of fun and
learning adventures!

*How are communities
across the Rogue Valley
working together for forest
and community health?*

- Learn about the cultural use of fire and see live-fire science demonstrations.
- Say hello to Smokey Bear!
- Enjoy story time in the auditorium.
- Make your own plant or animal costume.
- Learn about student-led service projects and see their recent work.
- Build a DIY air quality filter to take home.
- Meet local fire fighters and learn about fire prevention and safety.
