

The drought in our region has many of us thinking about how we use water in our everyday lives and what we can do to reduce and conserve our water resources. The first step to assessing water use is to check to be sure that all plumbing fixtures, pools, and irrigation systems are operating as efficiently as possible and without any leaks. Help preserve the City of Ashland's water resources and save money this summer by taking advantage of the following programs and rebates.

Sprinkler System Evaluations

Did you know that you can get a personalized irrigation schedule and irrigation evaluation for FREE! This is offered during the summer months and consists of a [comprehensive assessment](#) of the design, operation and management of your sprinkler system.

Lawn Replacement Rebate

Apply for a [rebate](#) for the removal of live, maintained and irrigated lawn that is replaced with climate appropriate, low water use landscape and efficient irrigation systems. Rebates up to \$1.25 per square foot of lawn removed.

Smart Sprinkler Controller Rebate

A [rebate](#) is being offered for the installation of a WaterSense labeled Smart Irrigation Controller. Residential customers are eligible for a \$200 rebate and HOAs and commercial facilities a \$250 rebate.

High-Efficiency Toilet Rebate

Apply for a [rebate](#) when you replace your old inefficient toilet(s) with a WaterSense labeled 1.28 gallon per flush high efficiency toilet(s). Rebate up to \$75 for replacing an old toilet.

Washing Machine Rebate

Apply for a [rebate](#) when you purchase and install a new Energy Star qualified Washing Machine. Rebates up to \$80.

Giveaways

Free showerheads, bathroom aerators, kitchen aerators, and soil moisture meters are available at the Community Development building at 51 Winburn Way. Call 541-488-5587 to schedule a time to pick them up.
