Campaign Finance Information Not applicable to candidates for federal office.

Candidate Committee This section should **not** be amended at a later date.

Yes, I have a candidate committee.

No, I do not expect to spend or receive more than \$750 during each calendar year. The \$750 includes personal funds spent for any campaign-related costs, such as the candidate filing fee; however state voters' pamphlet filing fees are not included when calculating contribution or expenditure totals. I understand I must still keep records of all campaign transactions and if total contributions or total expenditures exceed \$750 during a calendar year, I must follow the requirements detailed in the Campaign Finance Manual.

NOTE: If you have previously filed for office please check with the Elections Division to verify if you have an existing candidate committee.

No, but will be filing a Statement of Organization for Candidate Committee (SEL 220).

Candidate Attestation

By signing this document, I hereby state that:

→ I will accept the nomination for the office indicated above;

→ I will qualify for said office if elected;

→ All information provided by me on this form is true to the best of my knowledge; **and**

→ No circulators will be compensated based on the number of signatures obtained by the circulator on a prospective petition

→ I have been a member of said political party, subject to the exceptions stated in ORS 249.046, for at least 180 days before the deadline for filing a nominating petition or declaration of candidacy (ORS 249.031). Does not apply to candidates filing for the office of US President.

Warning

Supplying false information on this form may result in conviction of a felony with a fine of up to \$125,000 and/or prison for up to 5 years. (ORS 260.715).
