

Ashland All Schools Sustainability Competition!

Competition 1 - Create a performance about sustainability for the "Green" Green Show with OSF. Work individually or join with your classmates to display artwork or put on a **5-minute** play, dance, song, or performance art addressing sustainability. The winning individual or group will perform (or display) at a special production.

- performance art
- singing or poetry
- musical instrument(s)
- dancing
- drawing and/or painting
- video

Competition 2 - Make your school more sustainable. Describe a project that saves energy, water, and/or resources. Projects implemented in the last year are eligible, as are brand new ones!

- evaluate your school's carbon footprint
- reduce electricity use, switch to renewable energy
- increase alternative transportation (walk, bike, skate, carpool)
- conserve water and resources (eg. reduce waste, increase recycling)
- switch to locally-sourced food
- OTHER actions (get creative!) that save energy and money

The team that creates the greatest energy savings, involves the most students, and/or has the most fun **WINS an ice cream PARTY** for up to 35 students. Awards will also be presented at a special "Green" Green Show.

Submissions from all ages are welcome! Up to 3 winners per category. To download a submission form and get more information, visit us at www.ashland.or.us/schoolscomp or contact Adam Hanks at 541-552-2046; adam@ashland.or.us. **All submissions are due by Friday, May 9th.**
