Mr. John Stromberg
City of Ashland
20 East Main Street

Ashland, OR 97520

Dear Mayor Stromberg and Ashland City Councilors,

This is my letter of interest in filling the Ashland City Council Seat #6 position. I have lived and worked in Ashland for the past 14-years and call this unique place my home. I look forward to the opportunity to work within your staff. I will bring a fresh perspective and a level of transparency needed for Ashland to become a global leader.

What do you think are the biggest issues facing the city?

Political correctness, intolerance, hate, lack of political diversity, drug abuse, the use of labels, media, language police, the suppression of any real diversity of opinion, the government's monopoly on education, big money, and complicated plans that leave things exactly the way they were.

Also see: Senior citizens, affordable housing, young families, diversity, racism, fear, mental illness, multiculturalism, sustainability, anti-intellectualism and homelessness.

What is your primary motivation for seeking the vacant council seat?

To escape the Orwellian society we live in today. To move towards a brighter future for our children.

What community and city activities have you been involved in recently?

X2 City Council Candidate. Coach, mentor, activist, and voter.

What is the role of the city councilor?

Increase dialogue, keep people informed, and mediate between the citizens of Ashland and the Administration.

Respectfully,
Theo White
