Candidate Committee This section should not be amended at a later date.

- Yes, I have a candidate committee.
- No, I do not expect to spend or receive more than \$750 during each calendar year. The \$750 includes personal funds spent for any campaign-related costs, such as the candidate filing fee; however state voters' pamphlet filing fees are not included when calculating contribution or expenditure totals. I understand I must still keep records of all campaign transactions and if total contributions or total expenditures exceed \$750 during a calendar year, I must follow the requirements detailed in the Campaign Finance Manual.

NOTE: If you have previously filed for office please check with the Elections Division to verify if you have an existing candidate committee.

No, but will be filing a Statement of Organization for Candidate Committee (SEL 220).

- I have been a member of said political party, subject to the exceptions stated in ORS 249.046, for at least 180 days before the deadline for filing a nominating petition or declaration of candidacy (ORS 249.031). Does not apply to candidates filing for the office of US President.
