

# FOURTH OF JULY RUN

## Historical Statistics and Records

### History

This event was first competed on 4<sup>th</sup> July 1977, and was called the “Senators Cup Run.” The event started at Triangle Park, near Ashland High School on Siskiyou Boulevard, and included a 6-Mile Run and a bicycle race. In 1978 the start/finish was moved toward downtown Ashland, and the name of the event changed to the “Fourth of July Run”. The event has always had a 6-Mile Run, but its accompanying 2-Mile (1977-1991, 1999-present) or 1-Mile (1992-1998) has changed depending on which year. The bicycle race accompanying the original event was dropped in the mid-1980s.

The following are the past 6-Mile winners of the Fourth of July Run, with their state (or country) of residence and winning time. Also noted is the total number of 6-Mile and 2-Mile racers from each year.
