MEMORANDUM

TO : Ashland Parks and Recreation Commission

FROM : Don Robertson, Director

DATE : March 4, 2014

SUBJECT : Special Meeting on Friday, March 7

At the Parks Commission regular meeting on Monday, February 24, the commission discussed several options for utilizing their approximate \$470,000 in special reserve funds. Ideas ranged from additional work on the Daniel Meyer Pool to master planning for Lithia Park. In the end, consensus was to build a second dog park adjacent to the lower portion of Clay Street and to add a sidewalk along Winburn Way through Lithia Park for pedestrian safety.

Because it was a study session, the commission could not take formal action on this consensus decision; thus, they scheduled a special meeting for Friday, March 7, at 8:00 am in the Parks office.

The outcome of this meeting will be shared with City Council at the joint Council / Parks Commission meeting on Wednesday, March 12.
