Emerging Conditions and News

- **Resources.** We are hopeful to have a MARC (Multi-Agency Resource Center) operational within the next week. This Center will have FEMA representatives, insurance providers, Assessor representative, DMV, mental health and other resources under one roof. The Expo continues to have resources available onsite at the Expo.
- **FEMA.** FEMA liaison is onsite at the EOC to help provide guidance and assistance to EOC on rebuilding our communities. Also, two FEMA representatives arrived today and are onsite to help assist EOC with mass care activities (e.g., food, MARC, etc.,)
- **Please Help Get the Word Out.** Individuals can register online for assistance at <https://www.disasterassistance.gov/>
- **Avista.** Released message to Almeda fire victims. Avista has closed impacted accounts and customers will not be charged for any energy usage since their last bill. For questions, please contact Avista at 1-800-227-9187.

Almeda 100% Contained

- **Evacuation Level Status – No Change.** All remaining areas of the fire have been downgraded to a Level I evacuation level and all major road closures have been removed. While areas have been reopened, we strongly recommend citizens use caution when entering a burn area as hazards still exist.

South Obenchain 65% Contained

- **Evacuation Level Status** - All properties East of North and South Obenchain Roads within the burn area remain at a Level 3 "Go!" All properties west of North and South Obenchain Road are now at a Level 2 "Be Set," residents may return to their property. Properties bounded by North and South Obenchain on the west, Butte Falls Fish Lake road on the north, Salt Creek road on the east and HWY 140 on the south are all Level 2 "Be Set!", all properties outside of this area are Level 1 "Be Ready." Visible flames and smoke will persist within the fire perimeter until a season-ending rain or snow event. All perimeters around the fire are in mop-up and/or patrol status. Please contact 911 if flames are actively spreading and life or property are threatened.
