

Almeda Drive Fire Information
Wednesday, September 17, 2020 at 5PM

Start Date/Time	9/8/20; 11:04AM
Containment	100%
Acreage	3,200
Civilian Deaths	3

Civilians Affected	42,412
Preliminary number of structures destroyed (subject to change)	2357 residential structures destroyed with 57 residential structures damaged

Daily Highlights:

- **Small area of Talent reopened:** small area of Talent downgraded to a Level 2 thus reopening i.e. Anjou Club apartments and townhouses directly north as well as neighborhood to the west.
- **Exit 21 Talent reopened** to traffic late in the afternoon.
- **Deputy Medford City Manager, Kelly Madding** joined EOC to assist in establishing a Recovery Center.
- **FEMA liaison** arrived today for a preliminary meeting. She will be our representative starting tomorrow to provide guidance and assistance to rebuild our communities.
- **FEMA Assistance Online – Getting Started:** The Governor’s major disaster declaration has been approved, including eligibility for Individual Assistance, for Douglas and Jackson Counties. Information on how individuals can register for assistance will be at: <https://www.disasterassistance.gov/>
- **Important Messages today:**
 - FEMA will be on board tomorrow
 - We’re working hard to get areas open. We anticipate more areas will be downgraded and reopened tomorrow in the Phoenix and Talent area.
 - **Urban Search and Rescue** are working hard and may be finished this weekend.
 - **Services at the EXPO** continue to expand with La Clinica mobile medical clinic will be on-site Wednesdays and Fridays.
