Friend & Volunteer of the Nature Center

Rosalie Rybka

"I love gardening, working with my hands in the dirt and seeing and hearing the birds and butterflies!"

Rosalie came to us three years ago to volunteer. She tirelessly pulled weeds, watered and planted seeds. She has since adopted a Butterfly Garden in North Mountain Park's Demonstration Gardens. When Rosalie's not gardening, she likes to hike, backpack and travel. She shops the growers market from time to time, and has volunteered at NMP's annual Bear Creek Salmon Festival. Rosalie brings such a friendly energy to NMP, and we're glad to see her face every Wednesday morning. Thank you Rosalie!

Upcoming Event

3rd Annual Bee City USA
Ashland Pollinator Garden Tours
Saturday & Sunday June 29 & 30

This tour is so popular, we added an extra day! Each tour day will feature different locations, with hosts in their gardens to welcome guests and answer questions. Pick up your tour booklet (with maps for each day) at the North Mountain Park Nature Center, after June 1st. Carpooling is highly encouraged. Wear appropriate apparel for walking in the sun, and bring a water bottle. Bathrooms will not be available at tour sites. Please register online or call the Nature Center.

Volunteer & Connect With People and Nature

Join us to make an impact, AND make friends!

Whether your interest is in gardening, teaching, research or tackling invasive weeds in the Natural Area, we've got a project for you at North Mountain Park! Internships and student projects are also available. Call the Nature Center for more information.
