SUMMARY

Staff is seeking approval of a memorandum of understanding (MOU) between the City of Ashland and Addiction Recovery Center (ARC) to provide sobering services in partnership with Ashland Police Department (APD).

POLICIES, PLANS & GOALS SUPPORTED

Value Services' Tasks: Apply for more police grants and resume participation in regional drug enforcement efforts.

PREVIOUS COUNCIL ACTION

This relationship is long standing and represents the best option for caring for community members in need of sobering services.

BACKGROUND AND ADDITIONAL INFORMATION

For several years, APD has contracted with ARC to provide sobering services for members of the Ashland community. Sobering services refer to providing a safe, non-criminal facility at which a person can overcome the effects of intoxication. Oregon Revised Statues provide police officers with the authority to take someone into protective custody and lodge them at such a facility if they are found to be too intoxicated to care for themselves. ARC has long provided APD with such services.

FISCAL IMPACTS

Having this service available for members of the community will cost \$33,000 for FY 2019-2020. This has been budgeted for in APD's budget.

STAFF RECOMMENDATION

Staff recommends that Council approve this MOU.

ACTIONS, OPTIONS & POTENTIAL MOTIONS

I move that Council approve of the memorandum of understanding between the City of Ashland and Addictions Recovery Center.

Prior to such termination the party seeking termination shall give to the other party written notice of the breach and intent to terminate. If the party committing the breach has not entirely cured the breach within 15 days of the date of the notice, or within such other period as the party giving the notice may authorize or require, then the contract may be terminated at any time thereafter by a written notice of termination by the party giving notice.
