- B. Advisory committee members shall serve as individuals exercising their own best judgement and not as delegates for their respective organization or groups. Committees and their members are not official representatives of the City of Ashland and may not present their committees recommendations or their personal opinions or points of view as representative of the City's policy or operational perspectives. Prior to speaking publicly on behalf of their respective advisory committee, members must secure the permission of their committee to represent the activities or recommendations of their committee.
- C. A quorum of each standing advisory committee shall consist of more than one-half ($\frac{1}{2}$) of the total number of its current Council-confirmed voting members, but in no case fewer than three (3) members. Appointed voting and alternative members of a standing advisory committee may not name a substitute or alternate member to attend a meeting of their advisory committee on their behalf. Nonvoting ex-officio members, staff, and liaisons do not count toward the quorum.

Appointed voting and alternate members of a standing advisory committee need not be physically present at a meeting if another means of attendance (e.g., telephonic, internet, etc.) has been established by the membership and public meetings law requirements are met. At least a majority of the quorum is necessary to adopt any motion; some motions may require the affirmative vote of at least two-thirds of the members present.

A voting or alternative member of a standing advisory committee should provide at least a 48-hour notice to both their committee's chairperson and the City Manager appointed ex-officio committee staff support member regarding any planned absence from a scheduled meeting of the advisory committee. - E. Advisory bodies may consult with other city advisory committees on matters of mutual interest in the course of developing recommendations to bring to the City Council or City Management. It will be the responsibility of advisory committee chairpersons to work or meet informally as needed to coordinate the activities or coordination of matters between their committee and other advisory committees.

- F. Standing advisory committee members (voting, alternative and non-City staff ex-officio) will be appointed by the Mayor with the consent of the City Council. Council confirmed standing advisory committee appointments shall have three (3) year terms. Members of city commissions with corresponding responsibilities as the standing advisory committees will be invited by the City Recorder to confirm their interest in appointment by the Mayor without the necessity of submitting a formal new appointment application. New applicants must submit formal application with the City Recorder for Committee appointment. All regular terms commence with appointment and shall expire on April 30 of the third year. In the case that a new committee member is appointed to fill the remainder of a recently vacated voting position, the new member will be eligible for re-appointment at the end of the partial term they are completing. The City Manager will appoint all ex-officio City staff support committee members. The Mayor, with City Council confirmation, will appoint Council liaisons to each of the standing advisory committees. Council liaisons shall be non-voting ex-officio members of the corresponding committees.
- G. Standing advisory committees shall be governed by AMC 2.10 – Uniform Policies and Operating Procedures for Advisory Commission and Boards. Council liaisons will be assigned for standing advisory committees per AMC 2.04.100. Standing advisory committees will be reviewed by the City Council approximately every three years as to their assigned responsibilities, level of effectiveness and the need for their continued role and existence.
- H. In keeping with the diversity, equity, and inclusion goals of the City of Ashland, efforts will be made to ensure that information regarding standing advisory committee vacancies and the application process is readily available and advisory committees are made up of residents that represent the diverse populations within the City. All committees shall assist the City of Ashland in ensuring that city programs related to the charge of the committee are equitable for all community members, including low-income, young people, persons of color, the elderly, and those living with disabilities. - J. All standing advisory committees serve at the pleasure of the City Council and shall deliver to the Council an annual report on their activities and accomplishments in the preceding year and provide to the Council for its approval the priorities and workplan for the succeeding year. Standing advisory committees are expected to work with and advise the City Management and City Attorney to insure their committee recommendations are aligned with City Council priorities and can be implemented within the City’s resources and legal authority.

in AMC 2.10, Uniform Policies and Operating Procedures for Advisory Commissions and Boards, including its meeting and attendance, and code of ethics provisions.

- B. Advisory committee members shall serve as individuals exercising their own best judgement and not as delegates for their respective organization or groups. Committees and their members are not official representatives of the City of Ashland and may not present their committees recommendations or their personal opinions or points of view as representative of the City's policy or operational perspectives. Prior to speaking publicly on behalf of their respective advisory committee, members must secure the permission of their committee to represent the activities or recommendations of their committee.
- C. A quorum of each standing advisory committee shall consist of more than one-half (½) of the total number of its current Council-confirmed voting members, but in no case fewer than three (3) members. Nonvoting ex-officio members, staff, and liaisons do not count toward the quorum.

Appointed voting and alternate members of a standing advisory committee need not be physically present at a meeting if another means of attendance (e.g., telephonic, internet, etc.) has been established by the membership and public meetings law requirements are met. At least a majority of the quorum is necessary to adopt any motion; some motions may require the affirmative vote of at least two-thirds of the members present.

A voting or alternative member of a standing advisory committee should provide at least a 48-hour notice to both their committee's chairperson and the City Manager appointed ex-officio committee staff support member regarding any planned absence from a scheduled meeting of the advisory committee. In the event an unexpected or emergency absence, the member should notify their advisory committee's chairperson, or the appointed staff support individual within a reasonable time in advance of the meeting.

- E. Advisory bodies may consult with other city advisory committees on matters of mutual interest in the course of developing recommendations to bring to the City Council or City Management. It will be the responsibility of advisory committee chairpersons to work or meet informally as needed to coordinate the activities or coordination of matters between their committee and other advisory committees.

- F. Standing advisory committee members (voting, alternative and non-City staff ex-officio) will be appointed by the Mayor with the consent of the City Council. Council confirmed standing advisory committee appointments shall have three (3) year terms. Members of city commissions with corresponding responsibilities as the standing advisory committees will be invited by the City Recorder to confirm their interest in appointment by the Mayor without the necessity of submitting a formal new appointment application. New applicants must submit formal application with the City Recorder for Committee appointment. All regular terms commence with appointment and shall expire on April 30 of the third year. In the case that a new committee member is appointed to fill the remainder of a recently vacated voting position, the new member will be eligible for re-appointment at the end of the partial term they are completing. The City Manager will appoint all ex-officio City staff support committee members. The Mayor, with City Council confirmation, will appoint Council liaisons to each of the standing advisory committees. Council liaisons shall be non-voting ex-officio members of the corresponding committees.
- G. Standing advisory committees shall be governed by AMC 2.10 – Uniform Policies and Operating Procedures for Advisory Commission and Boards. Council liaisons will be assigned for standing advisory committees per AMC 2.04.100. Standing advisory committees will be reviewed by the City Council approximately every three years as to their assigned responsibilities, level of effectiveness and the need for their continued role and existence.
- H. In keeping with the diversity, equity, and inclusion goals of the City of Ashland, efforts will be made to ensure that information regarding standing advisory committee vacancies and the application process is readily available and advisory committees are made up of residents that represent the diverse populations within the City. All committees shall assist the City of Ashland in ensuring that city programs related to the charge of the committee are equitable for all community members, including low-income, young people, persons of color, the elderly, and those living with disabilities. Ex-officio members are not required to be residents within the City or the urban growth boundary. Voting and alternate members must be over eighteen (18) years of age.
- J. All standing advisory committees serve at the pleasure of the City Council and shall deliver to the Council, no later than January 31st of each year, an annual report on their activities and accomplishments in the preceding year and provide to the Council for its approval the priorities and workplan for the succeeding year.
