

9/30/19 Waste Prevention Subcommittee. Jamie, Marni and Risa were present

Discussed **Straw On Demand** program

SOD will be sending outreach/education info to businesses about the 2020 Oregon "law" eliminating plastic straws.

The group is considering sending postcards, dropping of 4 up flyers and maybe an article in the Sneak Preview.

We agreed to split up the businesses and go door to door to let them know.

Rogue To Go is progressing toward a mid October launch date. To go containers should be purchased by the city any day now. The logo and outreach information is getting firmed up this week. There will be a Sneak Preview article in the Dec or January edition announcing the program.

An article was shared with group about the hotel chain Marriot banning shampoo bottles by 2020. This may be a future topic to share with the rest of the commission to consider "inviting" local hotels to consider eliminating shampoo type containers for dispensers.
