BACKGROUND AND ADDITIONAL INFORMATION

There are approximately 145 applications that will need to be renewed by September 30, 2020. Staff has reviewed the submitted list by Oregon Liquor Commission (OLCC) for liquor licenses that are eligible for renewal. All businesses that have a current business license are current on city food and beverage tax. Police Chief O'Meara had provided information on one establishment, see Attachment 2.

Attachment 1: OLCC License Renewal List

Attachment 2: Liquor License Renewals Memo

REASONS WE MAY DENY OR RESTRICT A LICENSE
ORS 471.313(4)(5), OAR 845-005-0320, 845-005-0321, 845-005-0322
845-005-0325, 845-005-0326(4)(5) or 845-005-0355

The following is a list of problems relating to the **APPLICANT** or **BUSINESS** that OLCC can consider to refuse or restrict a license:

1. Applicant has a habit of using alcohol or drugs to excess
2. Applicant makes a false statement to OLCC (must be related to a refusal basis)
3. Applicant has been convicted of local, state or federal laws that are substantially related to the fitness of holding a liquor license
4. Applicant has demonstrated poor moral character
5. Applicant has a poor record of compliance when previously licensed by OLCC
6. Applicant is not the legitimate owner of the business
7. The business has a history of serious and persistent problems at this location. The problems can include:

- obtrusive or excessive noise, music or sound vibrations
- public drunkenness
- fight or altercations
- harassment
- unlawful drug sales
- alcohol or related litter

OLCC is not able to consider the following issues when deciding to renew a liquor license:

- lack of parking
- increase in traffic
- too many licenses in a specific area (saturation)
- entertainment type - nude dancing, gambling, live bands, etc.
- increased noise
- zoning issues

Visit www.oregon.gov/olcc/ to see the full text of ORS and OAR referenced above. In order for an unfavorable recommendation from a local government to be valid, the grounds must be found in the license refusal bases of ORS 471.313(4), 471.313(5), OAR 845-005-0320, 845-005-0321, 845-005-0322, 845-005-0325 or 845-005-0326(4)(5) or the license restriction bases of OAR 845-005-0355, and must be supported by reliable factual information.

Memo

TO: Melissa Huhtala, City Recorder
FROM: Tighe O'Meara, Police Chief
SUBJECT: Liquor License Renewals
DATE: October 6, 2020

Pursuant to your request for information relevant to the renewal of liquor licenses, I am providing the following information.

Oberon's Restaurant and Bar

During last year's liquor license renewal process Council asked that issues with Oberon's bar be part of this year's review.

In the last 12 months Oberon's only generated one case, which was for a warrant arrest. There was one disorderly person call at this location and six other calls for inconsequential matters.

I am unaware of any OLCC infractions issued over the last year.

O'Ryan's Irish Pub (I-Pub)

The owner of O'Ryan's Irish Pub continues to work with the police department to mitigate problem behavior at the I-Pub.

Over the last year the I-Pub generated 12 cases, down from 18 cases the previous year. The cases generated were mostly for low-level issues such as warrants and disorderly conduct.

I am unaware of any infractions issued by the OLCC to the I-Pub over the last year.

Vinyl Club

The Vinyl Club is closed, and I am unaware of any current attempts to re-open it.

Stop N Shop

The Stop and Shop remains a source of negative behavior. The Stop and Shop is the only business downtown that sells certain products (high alcohol content "tall boy" drinks) that make up a significant majority of open container violations issued by APD. A map of all open container violations in the City

for January through August of 2019 and 2020 is attached. The map clearly shows a downtown-centered pattern. APD's downtown officers have attempted to work with the new owner of the Stop and Shop to mitigate some of the business' practices. The new owner does not appear inclined to participate in a meaningful way. In the last 12 months APD has responded to five incidents of disorderly conduct at the location. In addition to this, again, the open container issue seen most commonly in the downtown area appears to be centered around this location.

I am attaching a letter I wrote to the Chairman of the OLCC stating APD's intention to recommend that Council votes against endorsing the renewal of their liquor license. This letter was requested by the OLCC Inspector to summarize our involvement in issues surrounding the Stop and Shop.

I am also attaching a PDF map that shows open container violations issued from January through August of both 2019 and 2020, indicating Stop and Shop as being central to this activity.
