Social Equity and Racial Justice Advisory Committee (SERJ)

The SERJAC will set their annual goals at their September meeting and will consider the following.

- Research what the City of Ashland has done to help and interfere with the civil rights of different groups of people (Black, Indigenous, Chinese etc.). This research will be the starting point for identifying reparations that the City can put in place to address the actions of the past and to celebrate good work that has been done.
- Review the recommendations of the DEI Assessment Consultant when the final report is completed.
- Continue the work of the 'Ashland for Everyone' project so that Ashland can move forward in its goal to be authentically welcoming to all people.
- Support activities for SERJ related holidays and community events and help the City to identify which events to participate in and recommend ways the City can participate.
- Support other Committees in their work as it intersects with the goals of the SERJ Advisory Committee.
- Recruit new members

Housing and Human Services Advisory Committee (HHSAC)

2023 Committee goals developed at the annual HHSAC retreat in December 2022.

- Explore impacts and opportunities for the development of more Manufactured Home parks (barriers and inducements) and manufactured home park ownership (this strategy is identified in the Housing Production Strategy document and is identified as a priority action in the implementation schedule).
- Encourage collaboration and communication for emergency shelter. Participate in planning and coordination around sheltering events and community engagement.
- Construction Excise Tax-explore the impacts of instituting a construction excise tax (this is a strategy identified in the Housing Production Strategy document).
- Workforce and Affordable Housing-Explore options to increase the supply of affordable workforce housing to provide for the needs of the City's working households and families. This work could include exploration, community engagement and implementation of strategies identified in the Housing Production Strategy.

- The Committee established a workgroup that will explore property management issues in Ashland and suggest potential solutions. The work group would like to research what is already working and functioning in Portland, OR. regarding property management issues and present ideas of how to recreate that system in Ashland to the City Council.

Public Arts Advisory Committee (PAAC)

The PAAC has not conducted a formal goal setting for 2023 yet, but has been working on and discussing the following projects and initiatives:

- Support community-driven effort to fund and create a permanent, public art installation entitled “Ancestor’s Future: Crystallizing Our Call” by Micah Blacklight inspired by the Say Their Names Memorial
- Support community-driven effort to fund and create a public mural installation at the Elks Building in Downtown Ashland entitled “Where the Crow Lights” by John Pugh.

Historic Preservation Advisory Committee (HPAC)

HPAC has considered committee priorities over the last several months beginning with their annual retreat in January. These priorities would be a focus of HPAC meetings when there are not multiple land use actions on their agenda to review, including:

- Implement Residential Site Design Review. With the passage of House Bill 2001, which required cities to allow accessory residential units and duplexes with the same procedural requirements for review as detached single-family homes, HPAC no longer reviews a substantial portion of the new construction in the four National Register-listed historic districts which previously required review. HPAC members would like to see residential Site Design Review requirements implemented so that the designs for new Duplexes, Single Family Residences and Accessory Residential Units in the districts could be reviewed for compliance with Historic District Development Standards.
- Update the city's Historic Preservation Plan. The current Preservation Plan was completed in 2008 using consultant services funded by a Certified Local Government (CLG) grant. The plan speaks to the cities planned preservation activities from 2009-2018, and HPAC members believe it is due for an update. In the absence of available consultant services funds, HPAC has considered revisiting the plan and updating it as a subcommittee project.
- Update Historic Surveys. The documents inventorying the four existing historic districts are decades old, and do not reflect new development within the districts or buildings which were not eligible to be considered historic resources at the time the districts were adopted but may now be considered historic due to their age. In addition, there may be additional areas, such as Quiet Village, which are now qualified for nomination as historic districts.
- Digitize Text & Photos of Existing Historic Surveys/Make Available On-Line. Photos were taken on film originally. This would require obtaining negatives from the consultant who prepared the original historic district survey documents, having them scanned, and then creating a user-friendly, searchable webpage. It might also involve the creation of a "story map" through the city's geographic information system (GIS).
- Updating the HPAC Webpage. Committee members would like to see the committee's webpage updated to be more comprehensive and user friendly and to contain all documents relating to the historic districts and historic preservation in Ashland in a single convenient on-line location.
- Continuing education opportunities for HPAC members.

Community Relationships

Aug. 2, 2023

At the recent Strategy Retreat, Council discussed assigning members of the Ashland City Council to serve as Community Liaisons to specific anchor institutions in the Ashland community. Unlike typical Council Liaison assignments where the councilor is expected to regularly attend committee or commission meetings, the Community Liaison would be expected to open a line of communication with the leadership of the organization and check in quarterly to understand how things might be changing for that organization, learn about new activities, and discuss any challenges. The purpose of this structure is to help the City Council as a body understand the current reality of the City's primary community partners as we, and they, navigate this time of great change. As Community Liaisons, Ashland City Council members would share similar information with those community organizations at their request.

SECTION 2. Procedure and Guidance for advisory committees to the City Council and City staff include the following:

- A. Each advisory committee shall serve solely as an advisory body whose actions or recommendations shall not be considered as City policy or the establishing of City policy or as final decisions of the City and are therefore not subject to administrative or judicial appeal.

Each advisory committee will provide service that does not conflict with the functioning of City departments or other government agency and shall have no executive or administrative powers or civil rights investigatory or enforcement authority. Attendance at an orientation or training session for standing advisory committee members, when offered, is required before they are permitted to further exercise voting rights at committee meetings. The City Manager will provide at least an annual orientation or training session update to all standing advisory committees and will be responsible for assigning City staff support for the work of the advisory committees.

Except as otherwise expressly stated, standing advisory committees shall observe policies and meeting and conduct rules consistent with those set forth for commissions and boards in AMC 2.10, Uniform Policies and Operating Procedures for Advisory Commissions and Boards, including its meeting and attendance, and code of ethics provisions.

- B. Advisory committee members shall serve as individuals exercising their own best judgement and not as delegates for their respective organization or groups. Committees and their members are not official representatives of the City of Ashland and may not present their committees recommendations or their personal opinions or points of view as representative of the City's policy or operational perspectives. Prior to speaking publicly on behalf of their respective advisory committee, members must secure the permission of their committee to represent the activities or recommendations of their committee.
- C. A quorum of each standing advisory committee shall consist of more than one-half ($\frac{1}{2}$) of the total number of its current Council-confirmed voting members, but in no case fewer than three (3) members. Appointed voting and alternative members of a standing advisory committee may not name a substitute or alternate member to attend a meeting of their advisory committee on their behalf. Nonvoting ex-officio members, staff, and liaisons do not count toward the quorum.

Appointed voting and alternate members of a standing advisory committee need not be physically present at a meeting if another means of attendance (e.g., telephonic, internet, etc.) has been established by the membership and public meetings law requirements are met. At least a majority of the quorum is necessary to adopt any motion; some motions may require the affirmative vote of at least two-thirds of the members present.

A voting or alternative member of a standing advisory committee should provide at least a 48-hour notice to both their committee's chairperson and the City Manager appointed

ex-officio committee staff support member regarding any planned absence from a scheduled meeting of the advisory committee. In the event an unexpected or emergency absence, the member should notify their advisory committee's chairperson, or the appointed staff support individual within a reasonable time in advance of the meeting.

If the members in attendance do not constitute a quorum, staff or invitees may make informational presentations provided (1) Notes describing the presentations and discussions are made and posted on the City website; (2) no motion, debate or vote or any other official business other than adjournment takes place; and (3) all topics advertised are automatically added to the agenda for the next regularly scheduled meeting.

- D. Standing advisory committees may request voluntary testimony but may not compel an individual or organization to appear before it or respond to questions.
- E. Advisory bodies may consult with other city advisory committees on matters of mutual interest in the course of developing recommendations to bring to the City Council or City Management. It will be the responsibility of advisory committee chairpersons to work or meet informally as needed to coordinate the activities or coordination of matters between their committee and other advisory committees.
- F. Standing advisory committee members (voting, alternative and non-City staff ex-officio) will be appointed by the Mayor with the consent of the City Council. Council confirmed standing advisory committee appointments shall have three (3) year terms. Members of city commissions with corresponding responsibilities as the standing advisory committees will be invited by the City Recorder to confirm their interest in appointment by the Mayor without the necessity of submitting a formal new appointment application. New applicants must submit formal application with the City Recorder for Committee appointment. All regular terms commence with appointment and shall expire on April 30 of the third year. In the case that a new committee member is appointed to fill the remainder of a recently vacated voting position, the new member will be eligible for re-appointment at the end of the partial term they are completing. The City Manager will appoint all ex-officio City staff support committee members which shall not have a vote on advisory committee matters. The Mayor, with City Council confirmation, will appoint Council liaisons to each of the standing advisory committees. Council liaisons shall be non-voting ex-officio members of the corresponding committees.
- G. Standing advisory committees shall be governed by AMC 2.10 – Uniform Policies and Operating Procedures for Advisory Commission and Boards. Council liaisons will be assigned for standing advisory committees per AMC 2.04.100. Standing advisory committees will be reviewed by the City Council approximately every three years as to their assigned responsibilities, level of effectiveness and the need for their continued role and existence.
- H. In keeping with the diversity, equity, and inclusion goals of the City of Ashland, efforts will be made to ensure that information regarding standing advisory committee vacancies and the application process is readily available and advisory committees are made up of

residents that represent the diverse populations within the City. All committees shall assist the City of Ashland in ensuring that city programs related to the charge of the committee are equitable for all community members, including low-income, young people, persons of color, the elderly, and those living with disabilities. Standing advisory committees may have up to two additional voting, ex-officio student/youth members who are of high school or college age (see also Section I below).

- I. Unless otherwise stipulated below, voting and alternate standing advisory committee members will be comprised of individuals who reside within the City except one (1) member from each advisory committee may be an at-large member living within the City's urban growth boundary. Unless otherwise provided, all nonvoting ex-officio members are not required to be residents within the City or the urban growth boundary. Voting and alternate members must be over eighteen (18) years of age.
- J. All standing advisory committees serve at the pleasure of the City Council and shall deliver to the Council an annual report on their activities and accomplishments in the preceding year and provide to the Council for its approval the priorities and workplan for the succeeding year. Standing advisory committees are expected to work with and advise the City Management and City Attorney to insure their committee recommendations are aligned with City Council priorities and can be implemented within the City's resources and legal authority.

Commissions transitioning under this resolution to become either standing advisory committees, or potentially to MAC status, are requested to complete any current work to develop recommendations for the City Council and advance them for consideration. These recommendations may advance either as a direct final report or presentation to the City Council or may be advanced to the corresponding advisory committee or City Manager for reporting to the City Council.

- K.
