# alzheimer's association®

Caring for a loved one during the COVID-19 (coronavirus) outbreak can add stress for dementia caregivers. We are here if you need us. Call our free, 24/7 Helpline at 800.272.3900 and visit [alz.org/COVID19](https://alz.org/COVID19) to learn how you and your loved one with dementia can stay healthy.

**Alzheimer's Association 24/7 Helpline (800.272.3900):** The 24/7 Helpline is available around the clock, 365 days a year. Speak confidentially with master's-level care consultants for decision-making support, crisis assistance and education in more than 200 languages.

**Support Groups:** Alzheimer's Association support groups create a safe, confidential and supportive environment. Our trained facilitators lead virtual telephone and video conference groups comprised of individuals from local communities across Oregon & Southwest Washington. To find a virtual support group in your area, please call the 24/7 Helpline at 800.272.3900.

**ALZConnected:** This online support group is available 24/7 at [alzconnected.org](https://alzconnected.org).

**Live Educational Webinars:** Check out one of our free educational webinars presented by local Alzheimer's Association staff or volunteers at [alz.org/orswwa/events](https://alz.org/orswwa/events).

**Alzheimer's Association Training and Education Center:** The Association offers a number of Alzheimer's and dementia courses available online, 24 hours a day at [training.alz.org](https://training.alz.org).

*The Alzheimer's Association leads the way to end Alzheimer's and all other dementia – by accelerating global research, driving risk reduction and early detection, and maximizing quality care and support. Our vision is a world without Alzheimer's and all other dementia.*
