

APRC Senior Services Division: End of 2nd quarter statistics (Oct-Dec 2023)

Service statistics for the 2nd quarter of FY 2023-24 were extra high due to the vaccination clinics in October and November and all the registration calls prior, dipping a bit in December due to instructor time off. The monthly average for all visits, activities, and services is now 1427/month, higher than any year since detailed tracking began in 2018. In addition to the visits reflected here, our partner RVCOG Food & Friends provided approximately 300 meals/month at Ashland Senior Center and 900 home-delivered meals/month to older adults. Senior Center patrons also relied on the Mike Hersh Memorial Food Pantry Senior Center provided additional resources to food-insecure patrons, with 4 to 8 boxes of food supplied by our partner Ashland Community Food Bank each month.
