AGREEMENT BETWEEN
THE CITY OF ASHLAND, OREGON
(CLERICAL/TECHNICAL)

and

LOCAL UNION NO. 659
INTERNATIONAL BROTHERHOOD OF ELECTRICAL WORKERS

PREAMBLE

This Agreement made and entered into by the City of Ashland, Oregon, hereinafter referred to as the "City" and Local Union No. 659 of the International Brotherhood of Electrical Workers, hereinafter referred to as the "Union". Unless indicated otherwise, references to the "City" herein shall include the **City's elected officials, the City Manager** or their designees(s) as the officials directly responsible for the operation of the departments covered by this Agreement. The purpose of this Agreement is to set forth the full and complete agreement between the parties on matters pertaining to rates of pay, hours of work and other conditions of employment.

ARTICLE I- SCOPE AND RECOGNITION

The City recognizes the Union as the sole and exclusive bargaining agent for the purposes of establishing rates of pay, hours of work and other conditions of employment for all employees within the bargaining unit described immediately above.

This agreement shall apply to all employees of the Technical/Clerical Bargaining Unit of Ashland, Oregon, as set forth in "Appendix A" but excluding confidential, supervisory, and temporary employees.

Where the term "employee" is used, it shall mean regular employees or probationary employees within the bargaining unit, as the same are defined in Article XIII hereof.

The parties agree as follows:

ARTICLE II- UNION SECURITY AND CHECK-OFF

Section 1: Union Security- Any employee covered by this Agreement may, at any time after hiring or transfer into the Bargaining Unit, apply to become a member of the Union, and may voluntarily sign a check-off authorization form, authorizing the City to deduct from **their** wages, and to remit to the Union, the

normal and usual **membership** dues required by the Union's Constitution and Bylaws. In addition, any employee who chooses not to join the Union may **voluntarily** tender a fee to the Union and, by voluntarily signing a check-off authorization form, may authorize the City to deduct and remit to the Union an amount in fees established by the Union, not to exceed the amount of monthly dues and fees required of "BA" class Union members. **The Union shall be the sole custodian of the authorization forms.**

Each month, the Union shall provide the City a list identifying the employees who have provided authorization for the City to make deductions from the employee's wages to pay dues, fees and any other authorized deductions to the Union. The city shall rely on the list alone to deduct and forward payment to the Union.

It is agreed there shall be no discrimination **by the City or the Union** in favor of or against, any employee of the City on account of membership in the Union or failure or refusal to join the Union. Nor shall the City interfere in any way with the decision of any employee to join or not to join the Union.

Section 2: Check-Off- The City will, during the term of this Agreement, honor written individual check-off requests of regular employees in the Classifications covered by this Agreement, until such check-off request is revoked by written notice **delivered to** the Union by registered mail. Such check-off request shall authorize the **Union to direct** the City to deduct current membership dues or fees. The City will in turn remit the dues or fees, so deducted, to the Union.

The Financial Secretary of the Union will keep the City currently advised of the monthly dues and/or fee to be deducted from the wages of each employee who has filed a written individual check-off request with the Union.

Section 3: Job Posting- The City will post all job openings on **the City's** website so the Union can remain informed whenever a bargaining unit job is posted. Such posting shall include a statement that clearly indicates that the posted job is represented by IBEW Local Union 659 with a link to the Collective Bargaining Agreement on the City's website. The City will also, whenever a bargaining unit job is awarded, provide to the Local Union; the name, contact information, pay rate, classification, hire date and date of new hire orientation of the person awarded the position.

Section 4: New Employee Greeting- On the date of hire or shortly thereafter, the City will allow the Local Shop Steward and the Union Representative to meet each new employee on City premises and discuss the Union and its role. This meeting shall take place during work hours and be limited to no more than sixty (60) minutes. It will be the responsibility of the Local Shop Steward to arrange meetings with new employees.

Section 5: Consistent Representation- In the interest of maintaining fairness and consistency in representing the entire bargaining unit, **employees have the right to have** an authorized Union Representative present during the time of any adjustment for all matters regarding interpretation of the collective bargaining agreement, at any time a bargaining unit employee requests to be made whole of any perceived shortage due **them** as it relates to wages, hours and working conditions and/or in matters of disciplinary action.

Section 6: Reversal of Decision- In regards to the ending of fair share agreements required by *Janus v. AFSCME*, should the law regarding such contributions change, the City agrees that it will, upon written request from the Union, meet with the Union within 30 days after receipt to negotiate any appropriate changes. Such provisions, when negotiated, if otherwise legal, shall become effective on a date agreed upon by the parties but in no event shall be retroactive beyond such date.

Section 7: Indemnification- The Union agrees to indemnify and hold the City harmless against any and all claims, orders or judgments brought or issued against the City as a result of any action taken or not taken by the City under the provisions of this Article.

ARTICLE III- MANAGEMENT RIGHTS

The Union recognizes the prerogative of the City to operate and manage its affairs in all respects in accordance with its responsibilities, and the powers or authority which the City has not expressly abridged, delegated or modified by this Agreement are retained by the City.

It is understood and agreed that the City possesses the sole and exclusive right to operate the City through its City **Manager** and department heads and that all management rights repose in it, but such rights must be exercised consistent with the other provisions of this contract. These rights include but are not limited to the following:

1. To determine the mission of its constituent departments, commissions and boards.
2. To set standards of service.
3. To schedule employees' hours of work and direct the performance of their duties.
4. **To train employees.**
5. To discipline or discharge for just cause.
6. To relieve its employees from duty because of lack of work, finances, or other legitimate reasons.
7. To maintain the efficiency of governmental operations.
8. To determine the methods, means and personnel by which government operations are to be conducted.

9. To determine the content of job classifications, **determine the minimum qualifications for all jobs and determine the criteria for performance evaluations.**
10. To take all necessary action to carry out its mission in emergencies.
11. To exercise complete control and discretion over its organization and the technology of performing its work.

ARTICLE IV- STRIKE AND LOCKOUT PROHIBITION

Section 1- The Union and its members, as individuals or as a group, will not initiate, cause, permit or participate or join in any strike, work stoppage, or slowdown, picketing, or any other restriction of work at any location in the City. Employees in the bargaining unit, while acting in the course of their employment, shall not honor any picket line established in the City unless such is sanctioned by the Southern Oregon Central Labor Council.

Section 2- In the event of a strike, work stoppage, slowdown, picketing, observance of a picket line, or other restriction of work in any form, either on the basis of individual choice or collective employee conduct; the Union will immediately upon notification, attempt to secure an immediate and orderly return to work. This obligation and the obligations set forth in Section 1 above shall not be affected or limited by the subject matter involved in the dispute giving rise to the stoppage or by whether such subject matter is or is not subject to the grievance and arbitration provision of this Agreement. Disciplinary action, including discharge may be taken by the City against any employee or employees engaged in a violation of this Article. Such disciplinary action may be undertaken selectively at the option of the City and shall not preclude or restrict recourse to any other remedies, including an action for damages, which may be available to the City.

Section 3- There will be no lockout of employees in the unit by the City as a consequence of any dispute arising during the period of this Agreement.

ARTICLE V- HOLIDAYS

Section 1: Recognized Holidays- The following shall be recognized as Holidays:

New Year's Day (January 1)
Martin Luther King Day (3rd Monday in January)
Washington's Birthday (3rd Monday in February)
Memorial Day (last Monday in May)
Juneteenth (June 19)
Independence Day (4th of July)
Labor Day (1st Monday in September)
Veteran's Day (November 11)
Thanksgiving Day (4th Thursday in November)
Day after Thanksgiving (4th Friday in November)
Christmas Day (December 25th)

- a) When the U.S. President or Oregon Governor establishes a new annually-reoccurring holiday or issues a declaration or executive order directing a one-time federal or state office closure for purposes of observing a day of nationwide or statewide celebration or homage- for example, for mourning the passing of a former president or other significant person or for memorializing a particular tragic or jubilant event- such a day will be a paid holiday for City employees subject to this bargaining agreement; and
- b) A presidential declaration or executive order for a specific purpose of closing federal offices will not necessarily result in a paid City holiday. Examples of federal or state closures that will not necessarily constitute a paid City holiday include: furloughs, weather-related closures, disaster/emergency closures, and office closures extending, for federal employees, the recognized holidays listed in Section 1 above, such as closing the day just prior or just after Christmas.

Whenever a Holiday shall fall on Sunday, the succeeding Monday shall be observed as the Holiday. Whenever a Holiday shall fall on Saturday, the preceding Friday shall be observed as the Holiday. If an employee is on authorized vacation, sick leave, or other leave with pay when a Holiday occurs, **payment to the employee for that day shall be accounted for as holiday pay, not as pay for hours of the authorized leave.**

Section 2: Holiday Pay- Regular employees shall receive eight (8) hours of pay in a holiday bank for each of the Holidays listed above on which they perform no work. In order to use banked holiday hours when no work is performed, an employee must work on **their** last scheduled work day immediately prior to a Holiday, and on **their** first scheduled work day immediately following the Holiday, unless prior approval is granted, as in the case of illness or if the Holiday falls within a vacation period.

ARTICLE VI- VACATIONS

Section 1: Eligibility-

<u>Years of Service</u>	<u>Accrued Vacation Per Pay Period</u>
<4	5 hours per pay period
>4<9	6 hours per pay period
>9<14	7 hours per pay period
>14<19	8 hours per pay period
>19	10 hours per pay period

Section 2: Continuous Service- Continuous service for the purpose of accumulating vacation leave shall be based on regular hours paid to the employee. Time spent by the employee on authorized paid leaves shall be included as continuous service. Vacation leave shall not accrue during a leave of absence

without pay. Authorized leave without pay and lay-offs shall not be counted as service, however, employees returning from such absences or layoff shall be entitled to credit for service prior to the leave or layoff.

Section 3: Accrual Limitations- An employee will be allowed to accrue vacation up to, but not to exceed an amount equivalent to two times the amount that they accrue in a calendar year. If the City cannot grant leave due to staffing problems, the City may grant a temporary allowance to accrue vacation in excess of the accrual cap of this subsection. Said temporary allowance may continue for no more than 180 days.

Section 3.1: Use of Vacation Time During First Six (6) Months- To aid in the transition to City employment, upon approval by the employee's supervisor, new hires can use their anticipated vacation accruals for the first six (6) months of employment starting from the time of hire. After six (6) months of employment, vacation time may be taken only to the extent such vacation has been accrued. In the event a new employee leaves prior to completing 6 months of employment, the employee's final pay check will be reduced by an amount equivalent to pay for the hours the employee took as paid vacation time off in excess of vacation actually accrued (see example below). The opportunity in December to cash out a portion of earned vacation hours as provided in Section 3.1 only applies to vacation actually accrued and not used.

Example: New hire is granted 60 hours of vacation at time of hire. They accrue five (5) hours of vacation per month. During month two (2) they use all 60 hours of vacation and resigns after four (4) months on the job. The City would deduct 20 hours from the employee's final pay check because only four (4) months of vacation accrual has been earned at the time of the employee's resignation.

Section 4: Scheduling- Vacation leave shall be scheduled by the City based on the head of the department's judgment as to the needs of efficient operations and the availability of vacation relief. Subject to the foregoing, employees shall have the right to determine vacation times. Vacation leave taken shall not be in excess of that actually accrued at the time it is taken. Vacation leave shall be selected on the basis of seniority; provided, however, such employee will be permitted to exercise their right of seniority only once annually. Employees shall exercise their choice by bidding in seniority. The list shall be closed as of December 31, and subsequent changes shall be made only by mutual consent of the parties.

Section 5: Payment on Termination- In the event of the death or termination of an employee during the initial six (6) months of **their** employment, no payment in lieu of vacation shall be made. In the event of death or termination of employment after an employee has served for six (6) months, the employee shall be entitled to payment for accrued, but unpaid, vacation leave at the rate of the date of eligibility. In the event of death, earned but unused vacation leave shall be paid in the same manner as salary due the deceased employee is paid.

Section 6: Optional Vacation Payout- After two (2) continuous years of service with the City, employees may elect to be paid cash for up to 40 hours of annual accrued vacation on the first paycheck in April each year. To be eligible for a payout of vacation hours under this provision, employees must retain a minimum leave balance of 100 hours after the vacation payout is granted (*sick and/or vacation hours combined must equal 100 hours*). Employees who do not meet the minimum service or minimum hour requirements are not eligible for payout of vacation under this provision.

ARTICLE VII- HOURS OF WORK AND OVERTIME

This Article is intended to be construed only as a basis for recognizing overtime, and shall not be construed as a guarantee of hours of work per day or per week.

Section 1: Hours of Work- To the extent consistent with operating requirements of the City, eight (8) hours shall constitute a regular work **shift**, and five (5) consecutive days **of regular shifts**, normally beginning Monday and terminating Friday, shall constitute a week's work. However, an employee may be scheduled by the City for a workweek other than Monday through Friday, which shall become **their** regular workweek. **With a department head's approval**, an alternate 40 hour per week work schedule can be established such as four (4) workdays of ten (10) hours. **The City Manager and Department heads have discretion to end such approval with thirty (30) calendar days' notice to the employee.**

Section 2: Work Schedules- All employees, to the extent consistent with operating requirements, shall be scheduled to work on a regular work shift, and each shift shall have regular starting and quitting times. **Supervisors shall establish a regular method to communicate schedules or schedule changes in advance to employees.** This section does not prevent an agreement between an employee and supervisor to a schedule with a different starting and ending time on different days of the week or month. **The City Manager and Department heads have discretion to end such approval.**

Section 3: Rest Periods- A **paid** rest period of fifteen (15) minutes shall be permitted for all employees during each half shift, which shall be scheduled by the City in accordance with its determination as to the operating requirements and each employee's duties.

Section 4: Meal Periods- To the extent consistent with operating requirements of the respective departments, **an uninterrupted, unpaid** one-half (1/2) hour meal period shall be scheduled in the middle of the work shift.

Section 5: Overtime Rates- An employee shall be compensated at the rate of time and one-half (1-1/2) times the regular rate of pay for all work performed in excess of 40 hours in a workweek. For the purposes of this paragraph, holiday hours, vacation hours and sick leave hours shall count as work performed.

Section 6: Compensatory Time- Overtime may be paid in the form of compensatory time off at the applicable rate, subject to the approval of the Department Head or designated supervisor. All overtime shall be recorded by the employee and must be approved by the Department Head or designated supervisor in advance. The employee must designate whether **they** desire pay or compensatory time off on the time sheet reporting the overtime worked. Accrued compensatory time shall not exceed forty (40) hours at any time. Any time in excess of forty (40) hours shall be compensated as pay.

Section 7: Emergency Call Back- When employees are required to report for work outside of the normally scheduled work shift, without 48 hours prior notice, they shall **be paid at the overtime rate** for all such work and be guaranteed a minimum of two (2) hours pay. Round trip mileage reimbursement will be paid at the current IRS rate for each call back, unless a City vehicle is provided.

Section 8: Flex Time Language- **With their supervisor's approval**, an employee may "flex" **their** work schedule to accommodate personal appointments or need for time off during the work week as long as the required number of hours for the work week are attained, and no overtime is accrued as a result of flexing the work schedule.

Example: Employee A normally works 8:30 AM–5PM Monday-Friday. On Monday, Employee A requests to leave work at 4PM to watch **their** child compete in a sporting event. Employee A and **their** supervisor agree that **they** will come in to work ½ hour early on Tuesday and Wednesday to make up for leaving early on Monday. Employee A receives pay for 40 hours of work that week and no overtime was accrued.

Section 8.1: Telework- When mutually beneficial, employees within the bargaining unit may be eligible for telework arrangements. **Telework arrangements must be documented in writing in a form prescribed by the City, signed by the employee and the City and on-file in the City's HR Department. They must specify the duration of the telework period, performance expectations for work being performed at an alternate work location and any other limitations or restrictions.**

ARTICLE VIII- SICK LEAVE

Section 1: Purpose- Sick leave is provided for the sole purpose of providing financial security to employees and their families. Under no circumstances shall the City grant an employee sick leave with pay for time off from City employment caused by sickness or injury resulting from employment other than with the City of Ashland.

Section 2: Accumulation- **New employees will be credited with six (6) months accrued sick leave upon hire for their immediate use. Upon completion of six months, sick leave shall be earned for the purposes**

stated herein by each eligible employee at the rate of eight (8) hours for each full calendar month of service. Sick leave may be accumulated to a total of nine hundred sixty (960) hours and must be taken for the purposes specified in Section 2 hereof as a condition precedent to any sick leave payment. Sick leave shall not continue to accrue during authorized sick leave or disability leave in excess of ninety (90) calendar days.

Section 3: Utilization- Employees may utilize their allowance for sick leave when unable to perform their work duties by reason of illness or injury. In such event, the employee shall notify the department head or other supervisor of absence due to illness or injury, and the nature and expected length thereof, as soon as possible prior to the beginning of the scheduled regular work shift, unless unable to do so because of the serious nature of injury or illness. A physician's statement of the nature and identity of the illness, the need for the employee's absence and the estimated duration of the absence, may be required at the option of the City for absences of over two (2) days prior to payment of any sick leave benefits or prior to allowing the employee to return to work. A physician's statement may be required as a prerequisite to payment of sick leave for less than three (3) days if the employee has been advised in advance of such requirement.

The parties agree that when an employee must be away from the job because of illness in the immediate family, such time off may be granted by the department head on a day to day basis, and charged against sick leave time on an hourly basis. If the absence becomes prolonged, such time off may be charged against accumulated vacation. Employees must keep their department head informed as to their status to qualify under this provision.

Section 4: Integration with Worker's Compensation- When an injury occurs in the course of employment, the City's obligation to pay under this sick leave article is limited to the difference between any payment received under Worker's Compensation laws and the employee's regular pay. In such instances, no charges will be made against accrued sick leave for the first thirty (30) calendar days.

Section 5: Sick Leave Without Pay- Upon application by the employee, sick leave without pay may be granted by the City for the remaining period of disability after accrued sick leave has been exhausted. The City may require that the employee submit a certificate from a physician periodically during the period of such disability, and before returning to work.

Section 6: Termination- Sick leave is provided by the City in the nature of insurance against loss of income due to illness or injury. No compensation for accrued sick leave shall be provided for any employee upon **their** death or termination of employment, for whatever reason. Sick leave shall not accrue during any period of leave without pay.

Section 7: Payment for Unused Sick Leave- All employees within the bargaining unit may elect to receive 1/3 of their unused annual sick leave accrual, maximum of 32 hours, as cash on their first paycheck in December. If cash payment is not elected, the unused portion of sick leave will be added to cumulative sick leave balance or converted to accrued vacation at the option of the employee.

Employees who use 40 hours of sick leave or less in a calendar year regardless of their cumulative sick leave balance may elect to receive the full cash out as stated in 8.6 above in compliance with Senate Bill 454 which requires all employers to allow employees up to 40 hours of protected sick leave each year.

Employees who use more than 40 hours of sick leave in a calendar year and whose sick leave balance will drop below 100 hours after sick leave cash payout may elect to receive a cash out calculated as follows:

((Annual sick leave accrual minus sick leave hours used by employee) plus sick leave used by employee up to protected sick leave) multiplied by 1/3 equals balance that may be cashed out.

Examples of how the payment for unused sick leave will be calculated hereafter, as required by the passage of Oregon Sick Leave law:

New Calculations of Annual Accrual, As Changed by Oregon Sick Leave Law:	96	96	96	96
Sick leave hours <u>used</u> by employee if during the year:	100	30	10	152
All employees are entitled to use up to 40 hours without impacting their sick leave incentive.	40	40	40	40
Hours used <u>up to 40/year</u> are added back for the purpose of calculating the sick leave incentive:	$96-100 = -4 + 40 = 36/3 = 12$	$96-30 = 66 + 30 = 96/3 = 32$	$96-10 = 86 + 10 = 96/3 = 32$	$96-152 = -56 + 40 = -16/3 = -5.33$
Balance that can be cashed out (Max 32):	12	32	32	0

Examples of how the payment for unused sick leave was calculated prior to the passage of Oregon Sick Leave law:

Original Calculations of Annual Accrual, Prior to Oregon Sick Leave Law:	96	96	96	96
Sick leave hours <u>used</u> by employee during the year:	100	30	10	152
All employees are NOT entitled to use up to 40 hours without impacting their sick leave incentive.	N/A	N/A	N/A	N/A
Hours used <u>up to 40/year</u> are NOT added back for the purpose of calculating the sick leave incentive:	$96-100 = -4$ $-4/3 = -1.3$	$96-30 = 66$ $96/3 = 22$	$96-10 = 86$ $86/3 = 28.67$	$96-152 = -56$ $-56/3 = -18.67$
Balance that can be cashed out (Max 32):	0	22	28.67	0

Section 8: Purposes for Sick Leave- Employees are entitled to use the City's sick leave benefit for the following purposes. Reference to "family members" means an employee's spouse, biological adopted or foster parent or child, parent-in-law, grandparent, grandchild or a person with whom the employees was or is in a relationship of in loco parentis, any other relationship identified in the City's Employee Handbook as a "family member" for the purpose of using sick leave.

- For an employee's or family member's mental or physical illness, injury or health condition or need for medical diagnosis of these conditions or need for preventative medical care.
- To care for an infant or newly adopted child under 18, or for a newly placed foster child under 18, or for a child over 18 if the child is incapable of self-care because of mental or physical disability.
- To care for a family member with a serious health condition.
- To recover from or seek treatment for a serious health condition that renders the employee unable to perform at least one of the essential functions of the employee's job.
- To care for a child of the employee who is suffering from a non-serious illness, injury or condition.
- To deal with the death of a family member by attending the funeral or alternative, making arrangements necessitated by the death of a family member, or grieving the death of a family member.
- To seek medical treatment, legal or law enforcement assistance, remedies to ensure health and safety, or to obtain other services related to domestic violence, sexual assault, harassment or stalking incidents to the employee or employee's minor child or dependent.
- To donate sick time to another employee for qualifying purposes if the employer has a policy allowing such donations.
- For certain public health emergencies including closure by public official of the employee's place of business, school or place of care of the employee's child, or a determination by a public health authority or health care provider that the presence of the employee or a family member presents a health risk to others.

ARTICLE IX- OTHER LEAVES OF ABSENCE

Section 1: Leaves of Absence Without Pay- In the City's sole discretion, leaves of absence without pay not to exceed 90 days may be granted upon establishment of reasonable justification and where it is determined that the operation of the department and/or division will not be negatively impacted by the temporary absence of the employee. Requests for such leaves must be in writing and submitted to the Department Head 30 days prior to the requested leave date, unless otherwise waived. **The employee must utilize accrued vacation leave,**

sick leave and compensatory time before applying for a leave of absence without pay. If the leave lasts two calendar weeks or more, the employee must pay the pro-rated employee portion of the premium for health insurance coverage. Any other payroll obligations of the employee will be deducted from the paycheck for the next pay period or may be paid directly to the City.

Section 2: Jury Duty- Employees shall be granted leave with pay for service upon a jury; provided, however, that the regular pay of such an employee for the period of absence shall be reduced by the amount of money received for such jury service, and upon being excused from jury service for any day an employee shall immediately contact **their** supervisor for assignment for the remainder of **their** regular work day.

Section 3: Appearances- Leave with pay shall be granted for an appearance before a court, legislative committee, judicial or quasi-judicial body as a witness in response to a subpoena or other direction by proper authority provided, however, that the regular pay for such employee shall be reduced by an amount equal to any compensation they may receive as witness fees.

Section 4: Required Court Appearances- Leaves of absence with pay shall be granted for attendance in court in connection with an employee's officially assigned duties, including the time required for travel to the court and return to the employee's headquarters.

Section 5: Military Leave- **Military leave shall be granted in accordance with ORS 408.290.**

Section 6: Union Business- Employees elected or appointed to any legitimate full-time paid Union office which takes them from their employment with the City, shall, upon written request of the Union and the employee be granted a leave of absence of up to one (1) year without pay, renewable upon application. Employees selected by the Union to attend conventions and related Union activities, shall, upon written request of the Union and the employees, be granted a leave of absence of up to thirty (30) days without pay.

Section 7: Educational Leave- After completing one (1) year of continuous service, an employee, upon written request, may be granted a leave of absence without pay by the City for the purpose of upgrading **their** professional ability through enrollment in educational courses directly related to employment at an accredited school or course of study. The period of such leave of absence shall not exceed one (1) year, but may be renewed or extended upon request of the employee and approval by the department head. One (1) year leaves of absence, with requested extensions, for educational purposes may not be provided more than once in any three (3) year period. **Their** replacement shall be considered a temporary employee. Employees may also be granted time off with pay for educational purposes, for reasonable lengths of time, to attend conferences,

seminars, briefing sessions, training programs, and other programs of a similar nature that are intended to improve or upgrade the employee's skill and professional ability, when ordered by the employee's department head.

Section 8: Bereavement Leave- An employee may be granted up to five (5) days **bereavement** leave with regular pay in the event of death in the immediate family of the employee. The employee will be paid **their** regular hourly rate for any such days of excused absence which occur only during **their** assigned workweek.

For the purpose of this article, an employee's immediate family shall include spouse, parent, children, brother, sister, mother-in-law, father-in-law, brother-in-law, sister-in-law, step child, step parent, adopted child, grandparents, grandparents-in-law and domestic partners.

Section 9: Failure to Return From Leave- Any employee who is granted a leave of absence and who, for any reason, fails to return to work at the expiration of said leave of absence, shall be considered as having resigned their position with the City, and **their** position shall be **deemed** vacated; except and unless the employee, prior to the expiration of **their** leave of absence, has furnished evidence that **they are** unable to work by reason of sickness, physical disability or other legitimate reason beyond **their** control.

ARTICLE X- COMPENSATION

Section 1: Wage Schedule- During the **three (3)** year period of this agreement, the wage increases shall be:

July 1, 2022- 4% increase

July 1, 2023- 4% increase

July 1, 2024- 3% increase

Employees shall be compensated in accordance with the wage schedule attached to this Agreement and marked "Appendix B" which is hereby incorporated into and made a part of this Agreement. When any position not listed on the wage schedule is established, the City shall designate a job classification and wage rate for the position and notify the Union. If the Union does not agree that the classification or wage rate is proper, the Union may submit the issue as a grievance according to the grievance procedure.

Section 2: Overtime- The City will attempt to assign all overtime by seniority on a rotational basis. Seniority shall be determined by Article XIII of this agreement. Employees refusing to work or not available for such overtime may be passed over without consideration for make-up as head of the list assignment of future overtime work. Employees shall be compensated at the rate of time and one-half (1½) the regular rate of pay for all work performed in excess of 40 hours in a workweek, but in no event shall such compensation be received twice for the same hours. All

overtime shall be recorded by the employee and must be approved by the department head or supervisor.

Scheduled overtime, time annexed to the beginning of the work shift, or hold-over times annexed to the end of the work shift, shall be considered overtime and shall not be considered call-back time.

Section 3: Call-back Time- Employees called back to work, with more than 48 hours prior notice, shall receive overtime pay with a guaranteed minimum of one (1) hour at time and one-half (1-1/2) for the work for which they are called back. More than one call-back is permissible within the one (1) hour period. Employees required to work over the initial call-back period, where more than one call-back is handled, will be paid at the overtime rate to the nearest one-half (1/2) hour. Round trip mileage reimbursement will be paid at the current IRS rate for each call back, unless a City vehicle is provided.

- a. Employees called for duty four (4) hours or more before the beginning of their regular work day shall be paid at the regular overtime rate from the time they are called until relieved. If such an employee has worked a minimum of four (4) hours and has had less than four (4) hours rest after **they were** relieved, **they** shall receive the regular overtime rate of time and one-half (1-1/2) for all hours worked during **their** normal work day.

Employees shall not be required to take time off during any regular working day for the overtime worked or to be worked.

- b. Employees called for duty less than four (4) hours before the beginning of their regular work day shall be paid at the established overtime rate from the time they are called until the beginning of their regular work day. Regular working hours following shall be at the straight time rate.

Section 4: Pay Periods- Employees shall be paid every other Friday. Pay periods shall be for fourteen (14) days beginning at 12:01 a.m. on Saturday, and ending on the 14th day (Friday) at 12:00 midnight. Pay days shall be on the Friday following the close of each pay period.

Section 5: Mileage- An employee required to report for special duty or assignment at any location other than **their** permanent reporting location and who is required to use **their** personal automobile for transportation to such location, shall be compensated at the standard mileage reimbursement rate established annually by the IRS per mile for the use of such automobile directly in the line of duty.

Section 6: Special Project Assignments- Employees assigned to established special projects, for extended periods of time, which require substantially increased responsibilities and duties, compared to their normal assignment and job

description, shall receive additional compensation. Prior to beginning the assignment the employee and **their** supervisor shall discuss the matter of additional compensation.

Section 7: Certification Pay- Certification pay of five (5%) percent as follows:

- a. The parties above must mutually approve of the program leading to certification prior to the employee entering into the program.
- b. The employee must be working in the field of the certification and the program must relate to the employee's work.
- c. Certification pay will become effective with the first of the month following the employee's satisfactory completion of the program, i.e. evidence of satisfactory completion by the institution acceptable to the parties.
- d. Upon mutual agreement of the parties an equivalency must be considered for an approved program not available locally. Short term or inadequate programs will not be considered.

ARTICLE XI- DISCIPLINE AND DISCHARGE

Section 1: Discipline- No regular employee **who has successfully completed probation** as defined in Article XIII may be disciplined except for just cause. Disciplinary action may be imposed upon any employee for failing to fulfill **their** responsibilities as an employee. Conduct reflecting discredit upon the City or Department, or which is a direct hindrance to the effective performance of City functions, shall be considered just cause for disciplinary action. Such cause may also include misconduct, inefficiency, incompetence, insubordination, misfeasance, malfeasance, the willful violation of department rules or for activities forbidden by State law.

Section 2- Discipline for just cause may include the following:

1. Oral reprimand
2. Written reprimand
3. Demotion
4. Suspension
5. Discharge or dismissal

In recognition that regular communications of expectations and of instruction of how to perform duties are essential and valuable to successful performance, coachings and oral warnings will not be viewed as discipline and are not grievable. Any records of same shall not be placed in an employee's personnel file.

Section 3- An employee may be suspended from employment, with pay, while charges against the employee are investigated.

Section 4- Any disciplinary action imposed upon an employee, if protested, shall be protested only as a grievance through the regular grievance procedure. If a department head or other supervisor has reason to discipline an employee **they** shall make reasonable efforts to impose such discipline in a manner that will not embarrass or humiliate the employee before other employees or in public.

Section 5- This Article shall not apply to any employee on probation as defined in Article XIII.

ARTICLE XII- SETTLEMENT OF DISPUTES

Section 1: Grievance and Arbitration Procedure- Any grievance or dispute which may arise between the parties concerning the application, meaning or interpretation of this Agreement, shall be settled in the following manner:

STEP I- The affected employee shall take up the grievance or dispute with the employee's supervisor within seventy-two (72) hours of its occurrence, excluding Saturday and Sunday. The supervisor shall then attempt to adjust the matter within three (3) working days.

STEP II- If the grievance has not been settled between the affected employee and the supervisor, it may be presented in writing by the Union to the Department Head within seventy-two (72) hours, excluding Saturday and Sunday, after the response specified in Step I is due. The written notice shall include details of the grievance, the section of this Agreement allegedly violated and the specific remedy requested. The appropriate Department Head shall respond to the Union representative in writing within five (5) working days after receipt thereof.

STEP III- If the grievance still remains unadjusted, it may be presented by the Union to the City **Manager** of the City or **their** designee(s), within seven (7) days after the response specified in Step II is due. The City **Manager** or **their** designee(s), shall respond in writing to the Union within five (5) working days.

STEP IV- If the grievance is still unsettled, either party may, within ten (10) days of the decision of the City **Manager** or **their** designee(s) under Step III have the right to have the matter arbitrated by a third party jointly agreed upon by the City and the Union. If the parties are unable to agree upon an arbitrator, the American Arbitration Association or other mutually agreed organization shall be requested to submit a list of five names. Both the City and the Union shall have the right to strike two names from the list. The party requesting arbitration shall strike the first name and the other party shall then strike one and the process shall be repeated and the remaining

person shall be the arbitrator. The City and the Union shall meet in a pre-hearing conference and shall prepare a submission agreement regarding the specific issues in dispute. The designated arbitrator shall hear both parties as soon as possible on the disputed matter and shall render a decision within thirty (30) days which shall be final and binding on the parties and the employee. The arbitrator shall have no right to amend, modify, nullify, ignore or add provisions to the Agreement, but shall be limited to consideration of the particular issue(s) presented to **them**. **Their** decision shall be based solely upon **their** interpretation of the meaning and application of the express language of the Agreement. Expenses for the arbitrator shall be borne equally by the City and the Union; however, each party shall be responsible for compensating its own representatives and witnesses. If either party desires a verbatim recording of the proceedings, it may cause such a record to be made, provided it pays for the record. If the other party desires a copy, both parties shall jointly share the cost of the transcript and all copies.

If any grievance is not presented or forwarded by the employee or Union within the time limits specified above, such grievance shall be deemed waived. If any grievance is not answered by the City within the time limits specified above, such grievance shall be deemed granted.

Section 2: Stewards- The Union may select an employee who shall be known as the steward. The name of the employee selected as steward, and the names of local Union representatives who may represent employees, shall be certified in writing to the City by the Union. Duties required by the Union of a steward, excepting attendance at meetings with supervisory personnel and aggrieved employees arising out of a grievance already initiated by an employee under Section 1 hereof, shall not interfere with this employee's or other employees' regular work assignments as employees of the City. Contacts between the steward and employees or the Union shall be made outside of working hours so as not to disrupt regular City operations. A preliminary investigation of an issue that could lead to a grievance can occur during work hours as long as it can be completed in a reasonable amount of time and a supervisor, Department Head or Human Resources has been informally notified prior to the Steward assisting in the investigation.

ARTICLE XIII- SENIORITY

Section 1: Seniority- Seniority shall be a full-time employee's length of continuous service with the bargaining unit, dating from **their** last date of hire, and shall apply by job classification within **their** department in the matter of layoff, recall and vacation. Seniority for regular part-time employees shall be accrued based on their equivalent number of hours worked rather than on calendar months or years (for example, a regular part-time employee who started work on January 2nd and worked exactly 30 hours every week, would have nine months seniority as of the next January 2nd).

In the event of layoff, such employee may exercise **their** seniority in a lower job classification within the department provided that employee is qualified by prior training or experience to do the work of the lower job classification.

Seniority shall continue to accrue during, 1) authorized sick leave or disability leave up to ninety (90) calendar days; 2) vacation leave; 3) authorized compensatory time off; 4) educational leave required by the City; 5) funeral leave; 6) jury duty; and 7) promotion to a supervisory position outside of the bargaining unit for two (2) years.

Section 2: Suspension of Seniority- Seniority shall be retained, but shall not continue to accrue during 1) authorized sick leave or disability leave in excess of ninety (90) calendar days; 2) educational leave requested by the employee; 3) military leave; or 4) other authorized leaves of absence up to ninety (90) calendar days.

Section 3: Termination of Seniority- Seniority and the employment relationship shall be broken or terminated if an employee 1) quits; 2) is discharged for just cause; 3) is absent from work for three (3) consecutive working days without notification to the City; 4) is laid off and fails to report to work within three (3) days after being recalled, 5) is laid off from work for any reason for twenty-four (24) months, or for a period of time equal to **their** seniority, whichever is shorter; 6) fails to report for work at the termination of a leave of absence; 7) if, while on a leave of absence for personal health reasons, accepts other employment without permission; or 8) if **they are** retired.

Section 4: Probationary Period- The probationary period is an integral part of the employee selection process and provides the City with the opportunity to upgrade and improve the department by observing a new employee's work, training, aiding new employees in adjustment to their positions, and by providing an opportunity to reject any employee whose work performance fails to meet required work standards. Every new employee hired into the bargaining unit shall serve a probationary period of twelve (12) full months after which they shall be considered a regular employee and granted seniority to the last date of hire. The Union recognizes the right of the City to terminate probationary employees for any reason and to exercise all rights not specifically modified by this Agreement with respect to such employees, including, but not limited to, the shifting of work schedules and job classifications, the assignment of on-the-job training, cross-training in other classifications, and the assignment to educational courses and training programs, the requirement that such employees attend training programs on their off-duty time for which they will be compensated on a straight-time basis by the granting of compensatory time off. Termination of a probationary employee shall not be subject to the grievance procedure under Article XII.

Section 5: Promotional Probationary Period- Regular employees promoted into a higher classification shall serve a promotional probationary period of six (6) full months. The Union also recognizes the right of the employer to demote an employee on promotional probationary status to the highest previous position. Demotion of an employee on promotional probationary status shall not be subject to the grievance procedure under Article XII.

Section 6: Layoff and Recall- Recall from layoff exceeding five (5) work days shall be by certified letter sent to the employee at **their** last known address furnished to the City by the employee. **Laid off employees are solely responsible to assure that the City has their current mailing addresses.** The City may use any other means to return an employee sooner.

Section 7: Training Opportunities- In order to encourage advancement within City employment, employees and their supervisors are encouraged during the evaluation process to discuss training opportunities available to the employee to update skills or develop additional skills to qualify for promotion.

Section 8: Job Announcements- The City agrees to **electronically** post announcements of vacancies in positions within this **bargaining unit on the City's website** for a minimum of five (5) working days prior to the final filing date for the position. **Employees are encouraged to sign up at the City of Ashland website to receive job posting alerts emailed to them.**

Section 9: Regular Employee- A regular full-time employee is one hired for an indefinite tenure, not limited at time of hire by a stated term or for a specific project.

Section 10: Part-Time Employee- A regular part-time employee is one whose regular workweek is twenty (20) hours or more, not limited at time of hire by a stated term or for a specific project. Regular part-time employees' cumulative work hours shall not exceed thirty (30) hours per week, except relief for a regular full-time employee who is expected to return (i.e., vacation, sick leave, etc.) or unless hours are extended by mutual agreement.

Section 11: Regular Part-Time Employee Benefits- Regular part-time employees shall accrue and be allowed vacation and sick leave with pay on a pro-rated schedule based on their hours worked using the hourly equivalent accrual rate for full-time employees. Holiday pay will also be pro-rated for regular part-time employees and may be substituted for other leaves subject to the holiday bank provisions in Article V, Section 3. Regular part-time employees will be eligible for employee-only health related insurances at the same cost-share arrangement as full-time employees. Regular part-time employees may elect to cover eligible dependents by paying 100% of the cost.

Section 12: Part-Time Employee Compensation and Probationary Period- Part-time employees in a classification covered by this Agreement shall be compensated in accordance with this Agreement.

Section 13: Longevity Pay- Upon five (5) years of a full-time regular employee anniversary date, they will receive a \$1000 annual bonus each year. Upon ten (10) years of a full-time regular employee anniversary date, they will receive a \$1250 annual bonus each year. Upon 15 year of a full-time regular employee anniversary date, they will receive a \$1500 annual bonus each year. Anniversary bonuses to be distributed on the first pay check in December.

ARTICLE XIV- GENERAL PROVISIONS

Section 1: No Discrimination- The provisions of this Agreement shall be applied equally to all employees in the bargaining unit without discrimination as to race, creed, color, sex, age, **marital status, gender identity, sexual orientation, national origin or disability**. The Union shall share equally with the City the responsibility for applying the provisions of this section. Employees shall have the right to form, join, and participate in the activities of the Union or any other labor organization, or to refrain from any or all such activities, and there shall be no discrimination by either the City or the Union by reason of the exercise of such right except as specifically provided herein. Section 5: Other Employment- **Employees considering outside employment must apply to the City Manager or designee.** Outside employment shall be

permitted only with the express prior written approval of the City, which may at any time, upon reasonable grounds, revoke permission to hold such outside employment. **Such written approval shall be documented in the employee's personnel file. The general principles to be followed by the City in permitting or restricting such outside employment shall be:**

- 1) The need for mentally and physically alert City employees;**
- 2) Insulating employees from potential conflict of interest situations;**
- 3) Maintaining efficiency unimpaired by other employment, particularly for those City positions requiring employees to be available for duty 24 hours a day.**

In the event the above principles are violated, the department head or City Manager may revoke previously granted permission to hold outside employment.
