Fabricator's Certificate of Compliance

Each approved fabricator that is exempt from special inspection of shop fabrication and implementation procedures per the Oregon Structural Specialty Code must submit a Fabricator's Certificate of Compliance at the completion of fabrication per 1704.2.5.1 OSSC.

Project: _____

Fabricator's Name: _____

Address: _____

Description of the structural members and assemblies that have been fabricated:

I hereby certify that the items described above were fabricated in strict accordance with the approved construction documents.
