

Exhibit A

Appendix A: Technical Reports and Supporting Documents City of Ashland, Oregon Comprehensive Plan

Periodically, the City may choose to conduct studies and prepare technical reports to adopt by reference within the Comprehensive Plan to make available for review by the general public. These studies and reports shall not serve the purpose of creating new city policy, but rather the information, data and findings contained within the documents may constitute part of the basis on which new policies may be formulated or existing policy amended. In addition, adopted studies and reports provide a source of information that may be used to assist the community in the evaluation of local land use decisions.
