

# Be Ready, Be Set, GO!

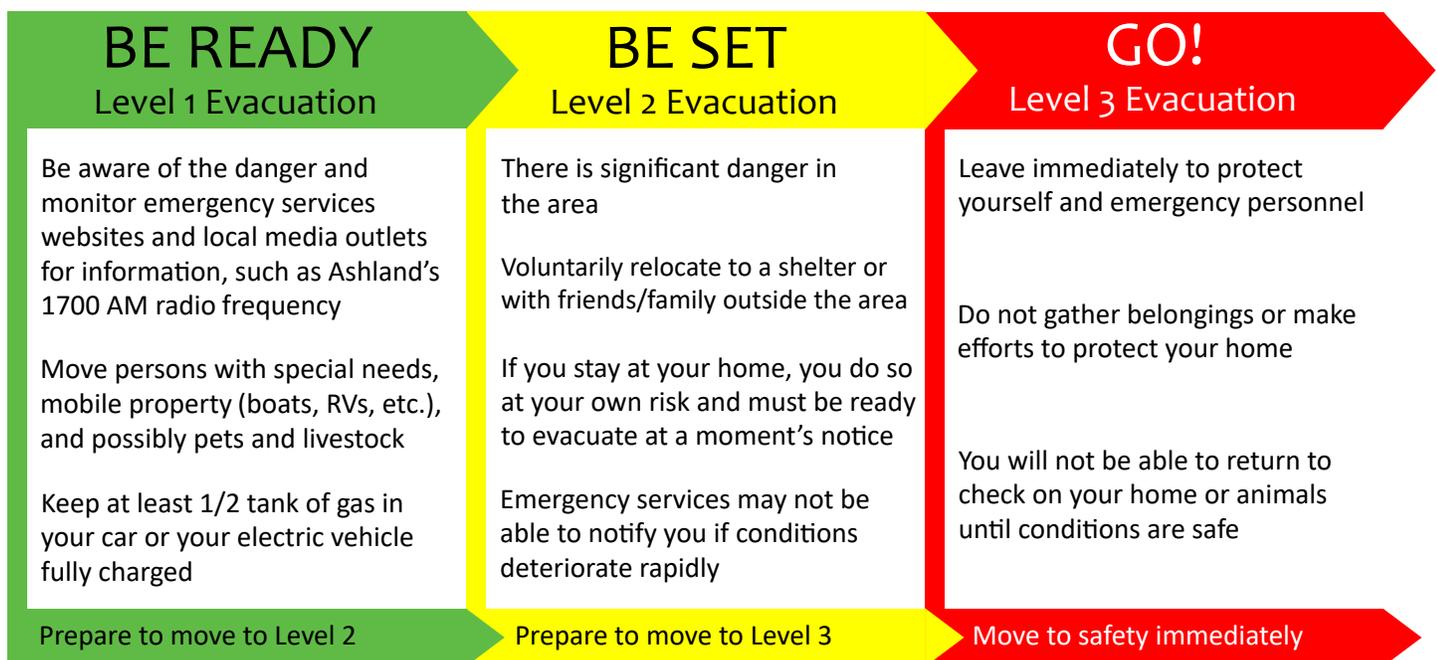

MAY

## Be Ready! Prepare to evacuate or shelter in place

- Gather information about how to **Be Ready!**
- Keep irreplaceable documents and computer storage disks together and easy to access
- Save as many pictures and documents as possible electronically
- Keep a store of cash
- Sign up for Nixle - text "97520" to number 888777

### Prior to Level 1 Evacuation, plan ahead by answering these questions:

- Do you know at least two ways out of Ashland?
- Where will you meet family after the evacuation?
- Where will you stay and how will you contact each other?
- Where will your pets stay?
- What pictures and irreplaceable items (including human ashes) will you need to take?
- What prescriptions, medical devices, and vitamins will you need?
- Stand at your door and look back. Imagine that you are not coming back. Have you accounted for everything that would break your heart if it were lost in a fire? If not, add it to your plan.

# Shelter In Place

MAY

## Be Ready! Prepare to evacuate or shelter in place

- Gather information about how to **Be Ready!**
- Sign up for Nixle - text "97520" to number 888777
- Assemble a two-week emergency kit

While it is not likely that a wildfire will create a need to shelter in place for a long period of time, having a two-week emergency kit will make sure that you are prepared for a wide range of emergencies, including wildfire.

### Your kit should include

- 2- week supply of non-perishable food (dried fruit, canned tuna, peanut butter, etc.)
- Can opener
- Paper plates and plastic cups and utensils
- Paper towels
- Moist towelettes
- Garbage bags
- Water – at least a gallon per person per day (remember your pets!)
- First aid kit
- Prescription medication, medical devices, and glasses
- Sleeping bag or warm blanket for each person
- Change of clothes for each person
- Matches in a waterproof container
- Toothbrush, paste, soap, and other personal items
- Feminine hygiene products
- Fire extinguisher
- Wrench or pliers to turn off utilities
- Household chlorine bleach
- Dust mask (N95)
- Plastic sheeting and duct tape
- Battery powered or hand-cranked NOAA radio and extra batteries
- Flashlights and extra batteries
- Cell phone with charger, extra battery and solar charger
- Whistle to signal for help
- Camp stove/barbecue gas (but do not cook inside!)
- Local maps
- Cash (in small bills)
- Emergency reference material such as a first aid book (see [www.ready.gov](http://www.ready.gov))
- Important documents in waterproof portable container
- Infant formula and diapers
- Paper and pencil/pen
- Books, games, or puzzles
- Pet food
