

Materials to promote HB 4401

Oregon Law Center has created an FAQ document and **video** to help tenants know their rights and responsibilities under HB 4401. The FAQ also has the declaration that a tenant must submit to their landlords to be protected from eviction. Materials are currently available in English and Spanish. Materials in additional languages are in the works.

Where to find the Declaration/FAQ and videos::

You can find those materials at OregonLawHelp.org (right sidebar) but here also is a direct link.
