1 year and 3 months

Please use the space below to summarize any additional qualifications you have for this position

I am a very sociable hard worker. I relish working with others and team-building; looking out for others is a priority of mine, which I feel coincides well with the City Commission. "To foster public knowledge and support of official city housing and human services programs" is something I can certainly help with, being that my connection to SOU enable s me to reach out to my peers to get more students involved with public affairs. I have also taken many sociology courses in my three years as a student, and plan to take more, including Program Evaluation, which will certainly help when making decisions in the Commission. I have a flexible work schedule to accommodate commission meetings as Well. I look forward to hearing back about this position!

Email from Housing Program Specialist Linda Reid:

For the first time in quite a while the Housing and Human Services Commission has received an application for an SOU Liaison to the Commission. Ms. Rosenberg attended the Housing and Human Services Commission special meeting and was very well received by the Commissioners. The process for appointing an SOU Liaison to the Commission has traditionally been less formal than appointing a regular member as the Liaison is a non-voting member. The Commission is hoping that Ms. Rosenberg can be appointed very soon as the Commissioners are looking forward to adding a student perspective to their discussions.
