MEMORANDUM

TO : Ashland Parks and Recreation Commission

FROM : Don Robertson, Director

DATE : July 10, 2013

SUBJECT : July 15 Study Session Agenda

The July 15 study session agenda will feature three primary topics:

Skate Park

Signs have been posted at the Skate Park inviting skaters to join us. Staff will present slides of the park's current conditions and discuss issues associated with the maintenance and operations of the park. Participants will be encouraged to share their unique insights into the park, its operations and conditions along with any proposed deficiencies in design for modern skate parks. Lastly, the question "is it located in the right spot?" will be addressed.

Japanese Garden Entry

We have received some feedback from our donor regarding the proposed materials. I forwarded an earlier email outlining her concerns. Staff would like to discuss this with the commission before moving forward with the project.

Ad Hoc Committee Report

Stefani will update the commission on activities of the Ad Hoc Committee.
