CONSENT AGENDA

Approval of Minutes 02.18.21

Vièville motions to approve minutes, Borgerson seconds.

All ayes, motion carries.

PUBLIC FORUM -None

ACCIDENT REPORT: Officer MacLennan not present. Borgerson discusses the similarity between an accident he'd had in 2009 to the first accident report listed. Commission discusses current downtown three lane configuration, in relation to accidents.

NEW BUSINESS

- A. **Local Road and Street Safety for non-engineers presentation by Mojie Takallou-** Takallou presents slide show information contained presentation (see attached). Commission and Staff discuss traffic safety goals, stating the primary goal is zero traffic fatalities and disabling injuries. Takallou leads conversation with Commission by asking questions contained in presentation.

Old Business-

- A. **Capital Improvement Program-** Peterson Adams introduces Fleury for his rundown of his report to City Counsel. Links to full document and staff's background report can be found in meeting agenda. Fleury relays that he presented the recommendations from the Commission to Council and lays out next steps and budget process timelines. Graf asks about the TSP update in relation to Downtown, Fleury recalls that when the project was stopped it was anticipated to be readdressed after two years, so it is his opinion that the Downtown Project is separate from the TSP, but he does state that smaller related projects could be added to the TSP in order to create a backbone that the project can build from once it starts back up. Commission intends to interject themselves as much as possible in the Downtown Revitalization Project in order to stress the importance of the project in the Commission's multi modal transportation goals. Commission would like to revisit the conversation on future agenda topics to formalize the will of the Commission.

TASK LIST

- A. Discuss current action item list

FOLLOW UP ITEMS

- A. **Bike Map Development-** Discussion only on what is occurring with the former Zagster bikes, Fleury relays that a project is in the works, Claypool-Barnes offers to act as Transportation Commission liaison to the project and requests contact information from Fleury.
